SUMMER 1996

- 4 June, Tuesday Deadline for registration for summer session (and for summer institutes)
- 17 June, Monday Students arrive; residence halls open at 8:30 AM
- 17 June, Monday All students report to office of the Registrar, 9:30 ам - 3:00 рм
- 18 June, Tuesday Classes begin
- 20 June, Thursday Last day classes may be added
- 21 June, Friday Classes will meet
- 25 June, Tuesday Last day classes may be dropped without record (17-28 June - Summer Institutes for Teacher Recertification)
- 28 June, Friday No classes
- 4-5 July, Thursday-Friday Independence Day holidays (no classes)
- 8 July, Monday Last day classes may be dropped with a grade of WP or WF
- 12 July, Friday Classes will meet
- 19 July, Friday No classes
- 26 July, Friday Final exams

FALL 1996

- 21-24 August, Wednesday-Saturday Faculty/Staff Workshop
- 24 August, Saturday New students arrive and check in; residence halls open at 8:30 AM
- 25 August, Sunday Returning students arrive. Check-in begins at 2:00 рм
- 25 August, Sunday New students meet with advisors at 2:00 РМ
- 25 August, Sunday Required convocation for all new students, Columns Auditorium at 8:00 рм
- 26 August, Monday Continuing and returning students meet with advisors at 8:30 AM
- 26 August, Monday Class registration in MarksHall. Class changes only: 2:30 - 3:30 рм

Registration for those who did not pre register; 4:00 - 5:00 РМ

- 27 August, Tuesday Classes begin
- 3 September, Tuesday Last day to add classes

2-College Calendar

- 17 September, Tuesday Last day to drop classes without record
- 10 October, Thursday Founders Day Convocation (10:00 AM)
- 18 October, Friday Mid-term grading period
- 25 October, Friday Mid-term break begins at conclusion of classes
- 30 October, Wednesday Classes resume at 8:00 AM
- 30 October, Wednesday Last day to drop classes with a grade of WP or WF
- 5-8 November, Tuesday-Friday Pre-registration for spring semester
- 26 November, Tuesday Thanksgiving holidays begin at end of classes
- 2 December, Monday Classes resume at 8:00 AM
- 16-20 December, Monday-Friday Final exams
- 20 December, Friday Christmas holidays begin at end of final exam schedule

SPRING 1997

- 10 January, Friday Faculty/Staff Workshop
- 12 January, Sunday Students arrive and check in. Residence halls open at 2:00 рм
- 13 January, Monday Sophomores, juniors, and seniors meet with advisors at 8:30 AM
 Excelosion on discussion and accurate meet with a dvisors at

Freshman and new students meet with advisors at 1:30 pm

- 14 January, Tuesday Class registration in Marks Hall. Class changes only: 9:00-10:00 ам Registration for those who did not pre-register: 10:30-11:30 ам
- 15 January, Wednesday Classes begin
- 20 January, Monday Martin Luther King Day (No classes)
- 23 January, Thursday Spring Convocation at 10:00 AM
- 5 February, Wednesday Last day to drop classes without record
- 7 March, Friday Mid-term grading period
- 7 March, Friday Mid-term break begins at conclusion of classes
- 17 March, Monday Classes resume at 8:00 a.m.
- 21 March, Friday Lasts day to drop classes with grade of WP or WF
- 28 March, Friday Good Friday (no classes)
- 15-18 April, Tuesday-Friday Pre-registration for fall semester
- 5 May, Monday Awards Day Convocation (11:00 a.m.)
- 8 May, Thursday Reading Day (no classes)
- 9-15 May, Friday-Thursday Final exams
- 17 May, Saturday Graduation exercises at 10:30 Aм

THE COLLEGE

Chowan College is a four-year co-educational institution. It is the second oldest of North Carolina's seven Baptist colleges. It opened in 1848 as a four-year college for women, Chowan Baptist Female Institute. It was renamed Chowan College in 1910, admitted male students in 1931, and became a two-year institution in 1937. In 1992 the college returned to four-year status when it admitted a junior class.

The college continues to expand its academic program and to recruit well qualified faculty. At the same time, it continues to appreciate its identity as a small church-related institution whose people know each other. The college attempts to provide an environment that is comfortable and conducive to intellectual, social, and spiritual growth. The administration and faculty believe in and insist upon intellectual freedom, while continuing the commitment to Christian principles. Chowan College does not discriminate on the basis of gender, race, color, age, creed, national origin, or handicap in its policies concerning employment, admission, housing, scholarships and grants-in-aid, and public functions.

INSTITUTIONAL PURPOSE

The Mission Statement and the Institutional Goals which follow constitute the official Statement of Purpose of Chowan College.

MISSION STATEMENT

Chowan College, a four-year institution founded upon and dedicated to Christian principles and values, endeavors to provide quality higher education on a liberal arts foundation in a personal, nurturing environment. The college further strives to equip graduates with the knowledge and skills to function productively in their fields of study.

The college seeks to fulfill its mission through such means as: (1) offering a liberal arts core curriculum for all students who plan to earn baccalaureate or associate degrees; (2) offering vocational instruction in selected programs; (3) employing qualified faculty and staff who are committed to the mission of the institution; (4) striving to meet students' academic, social, and spiritual needs through counseling and personal attention in a caring context; (5) making available extracurricular opportunities which facilitate positive life experiences; and (6) providing diverse programs and appropriate facilities to promote and support responsible life and service in the college community.

4—The College

INSTITUTIONAL GOALS

- GOAL I: To provide requisite courses and instruction for baccalaureate and associate degrees.
- GOAL II: To mold all curricula so as to include a foundation of general education courses (the humanities/fine arts; the social/behavioral sciences; the natural sciences/mathematics), thus enabling students to develop an understanding of their cultural and physical environments.
- GOAL III: To ensure that completion requirements in all curricula include competence in reading, writing, oral communications, fundamental mathematical skills, and the use of computers.
- GOAL IV: To evaluate continually the educational offerings of the college in terms of appropriateness, need, and quality.
- GOAL V: To encourage students to think logically and rationally, and to develop problem solving skills.
- GOAL VI: To furnish students in career programs with requisite skills and training for employment in their chosen or related fields.

GOAL VII: To provide a qualified faculty that strives toward excellence in teaching.

- GOAL VIII: To provide a faculty and staff that is committed to the mission of Chowan College.
- GOAL IX: To encourage and support the faculty in its pursuit of professional development opportunities.
- GOAL X: To provide students with a strong program of academic advisement and support.
- GOAL XI: To enhance the students' total personal development through the provision of opportunities for spiritual growth and nurture.
- GOAL XII: To provide students with opportunities to develop socially and emotionally through counseling and personal attention.
- GOAL XIII: To provide a varied program of extra- and co-curricular activities for students and for the community at large.
- GOAL XIV: To provide a variety of educational support services to undergird the educational purposes of the college.
- GOAL XV: To promote throughout the campus an environment that is conducive to study and learning.
- GOAL XVI: To provide an atmosphere which promotes community service and involvement.

ACCREDITATION STATUS

Chowan College is accredited by the Commission on Colleges, Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, GA 30033-4097: Telephone number 404-679-4501) to award the Bachelor's degree.

ADMISSIONS POLICIES & PROCEDURES

PHILOSOPHY

Chowan College desires to enroll students who are qualified for admission, who are compatible with its stated purpose, and who will benefit from the academic and social experiences provided by the institution. In addition to being capable, students should have the level of maturity and self-discipline required to benefit from and succeed in the college experience.

BASIS OF SELECTION

All applicants are considered on the basis of their academic and individual qualifications and potential. As a matter of established policy, the college does not discriminate against any prospective student on the basis of nationality, race, religion, age, sex, handicap, or citizenship.

ADMISSION OF FIRST TIME STUDENTS

High school graduates seeking admission to Chowan College should request necessary forms and information from:

The Office of Admissions P.O. Box 1848 Chowan College Murfreesboro, North Carolina 27855-9902 919-398-6239 or 800-488-4101

The Admissions Office will ask that students (1) fill out an application form and submit it with a \$20.00 non-refundable application fee; (2) arrange to have either the SAT or ACT scores sent to the college; and (3) have the high school send an official sealed transcript reflecting the high school record. The college strongly suggests that high school students submit as a minimum the following units:

English	4
Social Studies	2-3
Mathematics	2-3*
Laboratory Science	2**
Electives	7-9
*Algebra I, Algebra, II, and/or (Geometry recommended
**Biology, Chemistry, and/or Pl	hysics recommended

To be accepted at Chowan, a student should have: a total score of 830 (recentered) or 700 (old scale) or above on the SAT; a grade point average of 2.0 or above on academic courses; a class rank in the top 50%; a diploma, with passing scores on appropriate state competency tests. Chowan may accept SAT scores from nonstandard administration, and ACT scores may be accepted in lieu of SAT scores. NOTE: Students who are 25 years of age or older are not required to submit SAT/ACT scores, but they must submit official final high school transcripts, official transcripts from any other colleges attended, and/or GED certificates and scores.

6-Admissions Polices

COLLEGE TRANSFER ADMISSION PROGRAM

Students may be admitted to Chowan College on the basis of work completed at other regionally accredited colleges. Satisfactory enrollment and completion of course work at other institutions may be considered evidence of a student's ability to do college level work. Chowan encourages the application of these prospective students in the belief that its academic program can assist them in completing their baccalaureate programs. These students add diversity of experience and maturity to the student body. Transfer students who have 12 or more transferable hours and a GPA of at least 2.0 should submit to the Office of Admissions (1) an application form and a \$20.00 non-refundable application fee: (2) a final high school transcript or GED certificate and scores, (3) an official, sealed transcript from each institution of higher education previously attended; and (4) a statement of academic standing from the last institution attended. The college reserves the right to require any student to retake or make up any work which is evaluated as not equivalent to work offered at Chowan, work which may have been failed, or work in which the student may be deficient. Further, a transfer student may be advised or required to take one or more placement tests. Normally, a transfer student must be academically eligible for continued enrollment at the last institution attended. If a student presents less than 12 transferrable hours or has a GPA of less than 2.0, he/she must meet regular admissions standards. See the academic policy section of this catalog for further information on the transferability of credit. A transfer student may be advised or required to take one or more placement tests. Further, the college reserves the right to require any student to retake or make up any work which is evaluated as not equivalent to work offered at Chowan, work which may have been failed, or work in which the student may be deficient.

CONDITIONAL ACCEPTANCE

The college may elect to accept certain "special need" students if circumstances suggest academic potential. These students must accept the following conditions:

- 1. That any required developmental work be taken during the first term at Chowan College in addition to any other courses taken, subject to financial aid restrictions.
- 2. That the student take courses prescribed by the college, to include FYE 101 or AS 005, in the first semester.

INTERNATIONAL STUDENTS

International students are required to submit an international application form along with a \$40 non-refundable application fee and to follow the regular admissions procedures, to take the Test of English as a Foreign Language (TOEFL), and provide a statement of financial resources to support educational costs. The I-20 is issued to a student after he/she has been accepted for admission and made the \$200 non-refundable advance payment. International students must submit the application fee and the advance payment in U.S. currency.

International students should make application and be accepted for admission at least six weeks in advance of the beginning of the semester in which they

Admissions Policies—7

plan to enroll. Academic transcripts from secondary schools or any other college attended must be official and received in sealed envelopes. English proficiency must be substantiated by a minimum score of 450 on TOEFL or by a statement from an educational official validating proficiency in the spoken and written use of English.

Special orientation services are provided for international students. A fee of \$200 is assessed to offset the additional expenses.

SPECIAL STATUS OR PART-TIME STUDENTS

Chowan will admit students who do not wish to become regular, degreeseeking students but who desire to enroll in one or more courses for special or specific purposes. Special students need not follow the usual academic program; they may enroll in those courses which meet their special academic needs, subject to the availability of space. Special status or part-time students may take no more than 11 hours of classes and may not normally live in college housing. Application procedures are the same as for other students.

READMISSION PROCEDURES FOR FORMER STUDENTS

A former Chowan student who was in good standing at the time of withdrawal may gain readmission by contacting the Office of Admissions and filing an application. If a former student has taken work at another college after withdrawing from Chowan, the student must submit official transcripts from any colleges attended and a statement of good standing from the last institution attended.

Students who have been suspended for academic reasons may seek readmission after (1) removing academic deficiencies in a summer session at Chowan or (2) appealing for readmission after having been away from the college for at least one full semester. If a student is granted readmission under item (2), he/she must remove all deficiencies in the first semester after readmission. Students suspended for disciplinary reasons may seek readmission after the disciplinary period of suspension by contacting the Office of Admissions and filing an application. Such students may be readmitted only after the Admissions Officers have conferred with appropriate persons in Student Development.

ADMISSION OF SENIOR CITIZENS AND ORDAINED MINISTERS

Persons 55 years of age or older and ordained ministers actively serving a church who meet the admission requirements of the college may take courses, up to nine semester hours, on a space available basis at the rate of \$100 per semester. Any special fees will apply. Applicants should follow the same admission procedures as do other students.

VETERANS

For information concerning educational benefits for veterans and their children, write to the Registrar of Chowan College or to the nearest regional or county office of the Veterans Administration

ADMISSION PROCEDURES FOR RISING HIGH SCHOOL SENIORS

During the summer between their junior and senior years, high school students in the upper one-third of their class may, with the recommendation of their principal or guidance counselor, enroll in the college's summer session. Such students, if they live in the area and get release time from their high schools, may take courses at the college during the regular term as special students. Such persons should follow the same admissions procedures as do other students.

ADVANCE TUITION DEPOSIT

Students who have been accepted for admission should send the college a \$200 advance payment which will be applied toward college expenses. The advance deposit reserves the financial aid offer, allows priority course selection through preregistration, and reserves housing. This deposit is not refundable and is due no later than May 6 for an upcoming term.

MEDICAL REPORT

N. C. State Law REQUIRES that all new undergraduate students entering college must have certain required immunizations. The medical form MUST BE completed by a licensed MD or a Nurse Practitioner. PLEASE NOTE: You must show proof of the immunizations and the physical exam as outlined above. These documents must be received by the Student Development Office in order for a student ID to be issued, and in order to be allowed to register for classes. International students must present the medical form and immunization record upon arrival on campus. Athletes will not be permitted to dress out and practice until the completed medical form and immunization record have been submitted to the Student Development Office. Students who arrive without prior completion of physical and immunization requirements cannot occupy campus housing or participate in any campus activity.

STUDENT LIFE

Chowan College is strongly committed to educating the total personmind, body, and spirit. Student activities and residential living complement the student's classroom experiences and lead to one's personal growth and total development. Campus life enables each student to develop social and interpersonal skills, foster leadership skills, cultivate sound ethical and moral principles, deepen spiritual commitments, formulate a philosophy of life, and explore career opportunities.

The College encourages and supports student life through a variety of student services provided by trained professionals in the Office of Student Development. The office consists of the following areas: Student Activities, Campus Ministry, Health Services, Counseling, Career Development, Safety & Security, Intramurals, Residence Life, International Student Affairs, Commuter Student Affairs, Student Publications, Discipline, and Orientation.

Activities

Student activities are an integral part of life outside the classroom. A campus network consisting of the Director of Student Activities, the SGA officers, the various clubs & organizations, and residence hall programming all work closely together to provide a wide variety of exciting activities on a regular basis. The Student Activities Calendar is published each year along with a weekly campus calendar. The Braves Den Student Center, the Helms Center Athletic Complex, and the Beacon are three major "hubs" on campus for student activities.

Performance Groups - The college provides opportunities for students interested in music and theatre performance. Choral groups include the CHOWAN CHORUS and the CHOWAN CHORALE. Instrumental groups include the CON-CERT BAND and the PEP/JAZZ BAND. Other music performing ensembles may be organized for special occasions. The CHOWAN PLAYERS present various dramatic productions during the school year.

Intramurals - The Director of Intramurals coordinates an extensive program of competitive and recreational activities which enable students, faculty and staff to (1) improve and maintain physical well-being; (2) socialize in a recreational atmosphere; (3) develop skills in a variety of sports; (4) learn and practice good sportsmanship; (5) relieve stress; and (6) simply have fun!

Intercollegiate - Chowan College is a provisional member of NCAA Division III. The College sponsors the following teams: men's baseball, men's basketball, women's basketball, football (men), men's golf, men's soccer, women's soccer, women's softball, men's tennis, women's tennis, and women's volleyball.

10-Student Life

Career Development

Chowan College recognizes the importance of assisting students in their career decision making. Career information, career counseling, and SIGI PLUS are available in the Career Resource Center. The Director of Career Development is available for personal consultation.

Car Registration

Freshmen are permitted to have vehicles on campus. All motor vehicles operated on campus by Chowan students must be registered with the Safety & Security Department during the first week of each semester. Vehicles arriving after this time must be registered immediately. The cost of vehicle registration is \$30.00 per semester and is non-refundable.

Community Service

To complement a well-rounded education, students are strongly encouraged to get involved in any one of numerous off-campus community service opportunities. Student involvement is welcomed by the local community. The Director of Campus Ministries coordinates these efforts.

Commuter Student Services

A variety of programs are planned throughout the year to meet the unique needs of those who commute to campus each day and to assist them in becoming a part of the total campus community. The campus dining service offers a special meal plan for commuting students. Commuting students are encouraged to become involved in all aspects of campus life.

Counseling

The Director of Counseling, the Director of the Wellness Center, the Campus Minister, and local pastors comprise a counseling network that is competent, caring, and confidential. An on-site student assistance counselor is available one-half day per week. Community referral services are available. Students are encouraged to visit the counseling offices or call for an appointment. Residence hall staff members are also trained as first-response counselors. The area Crisis Line number is 1-800-253-6387.

Food Services

The Cafeteria is located in the Thomas Cafeteria and is catered by Pioneer College Caterers, Inc. The Food Service Director and his staff work to provide wholesome menus. A food committee meets with the Food Service Director periodically to discuss ways and means of improving the food services. All resident students are required to participate in the Boarding Plan. Meal plan options are available. Students can choose the full meal plan which allows them up to 20 meals per week, or the partial meal plan consisting of 14 meals per week. During registration these meal plan options can also be purchased with a Snack Bar credit line.

The Snack Bar is located in the Brave's Den Student Center and provides for a wide selection of foods and snacks. Big Al's New York Style Pizzeria, deli subs, snack foods, plus a full line of grilled to order items, are among the choices available.

Meal hours and guest rates can be noted at the entrance to the cafeteria.

Health Service

The Campus Wellness Center is operated as a first aid and initial treatment outpatient facility. The College maintains a close relationship with Roanoke-Chowan Hospital located in Ahoskie, N.C. and emergency medical technicians are available at all hours. Students with serious illness or contagious disease are best served at home or in the hospital. No hospital or quarantine facilities are available on campus. The Wellness Center is staffed by a registered nurse. A physician is available to students on campus three times per week. The cost of any prescriptions or the cost of seeing a physician off campus is the responsibility of the student.

A MEDICAL EXAMINATION AND HEALTH REPORT IS REQUIRED OF ALL INCOMING STUDENTS. IMMUNIZATION RECORDS ARE REQUIRED BY NORTH CAROLINA STATE LAW AND MUST BE COMPLETED PRIOR TO ENTERING COLLEGE.

The College carries accident insurance on all students who are enrolled for at least nine (9) credit hours per semester. The College requires each full-time student to maintain a personal health policy. International students are required to purchase hospitalization insurance through the Business Office of the College before registering for classes.

International Student Services

The Director of Campus Ministries has primary responsibility for assisting international students with adjustment to college life in the United States. He is available for personal counseling and assistance as needed. The College Registrar assists international students with information related to visas,passports, and the I-20 form. A special orientation session is held at the beginning of each semester for international students.

New Student Orientation

An extensive program of orientation for new students and their families is held before classes begin in August. An abbreviated program is held for students entering in January. The orientation program is designed to inform students and to make them quickly feel "at home." Orientation and student handbook review sessions are held in small groups the first weekend students arrive. Information sessions are held for parents/guardians that allow them to meet and interact with various college officials.

12—Student Life

Organizations & Clubs

There are approximately forty (40) student organizations and clubs at Chowan College with either an academic, professional, honorary and/or personal interest basis. Student organizations provide opportunities for personal enrichment, professional development, community service, and the chance to interact with others of similar interests.

Religious Life

In keeping with its Baptist heritage, the College promotes spiritual growth stimulated by faith development. Spiritual growth is as important to one's education as is emotional, physical, and intellectual development. All members of the college community are encouraged to nurture the spiritual dimension of their lives. People of all religions and spiritual orientations are invited to use Harden Chapel for meditation, reflection, prayer, worship, or quiet time of renewal and inspiration. Students are encouraged to participate in the life and worship of local churches.

The Director of Campus Ministries is available for personal consultation. Campus religious clubs/organizations provide numerous opportunities for growth and service.

Residence Life

Six residence halls are located on campus. All rooms are carpeted, airconditioned, wired for cable TV connection [extra charge], and wired for telephone service [extra charge & must use Chowan-owned phones]. All rooms are furnished with beds and study areas. Linen service may be contracted with a local private vendor. Most rooms are designed for double-occupancy. A limited number of private rooms are available on a first-come first-serve basis for an additional charge.

College policy requires all full-time students [12 semester hours) to live in campus housing unless they meet one of the following conditions: (1) married; (2) live in the community with their parents or grandparents; (3) over 23 years of age; or (4) a veteran of the United States military.

Each residence hall is staffed by Head Residents and student Residence Assistants. Room assignments are made through the Housing Office.

Safety & Security

The Department of Safety and Security is responsible for protecting life and property by enforcing state and college rules and regulations. The security staff consists of professionally-trained officers who patrol the campus on a 24hour basis by means of foot, bicycle, and vehicle patrol. An escort service is available to and from any campus building upon request. The department sponsors special seminars on a regular basis dealing with such topics as crime prevention and fire safety. Campus security works closely with local and state law enforcement agencies. While the College takes all possible precautions to help residents

Student Life—13

protect their possessions, the College does not assume responsibility for items that are lost, stolen, or damaged. Students are advised to determine if their possessions are covered by their parents' home owner insurance or, if needed, invest in adequate personal property insurance coverage.

Student Conduct & Expectations

The College is committed to Christian values that create an academic community that is orderly, caring, and just. At Chowan every person is considered to be a person of worth. Cultural backgrounds, attitudes, and opinions different from our own are welcomed and appreciated; however, any form of harassment, hazing, lewd, or indecent behavior will not be tolerated. The College takes a strong stance against drug abuse and possession of fire arms and pyrotechnics. Drinking or possession of intoxicating beverages is not permitted on campus. The Honor Code, rules and regulations are specifically stated in the current edition of the Student Handbook. Students are responsible for their own actions and behavior and are held accountable as such. *The College reserves the right at all times to exclude students whose conduct or academic standing it regards as undesirable without specifying any further reason for exclusion*.

Student Government Association

All students are automatically members of the Student Government Association (SGA). The SGA provides students the opportunity to participate in the operation of the college, to gain experience in democratic procedures, and to become actively involved in the planning and execution of college-sponsored activities.

FINANCIAL INFORMATION

STUDENT FEE SCHEDULE FOR 1996-97

	Per semester	Per Year
Tuition	\$4,800	\$9,600
Board: 14 meal plan (required)	1,010	2,020
20 meal plan (optional)	1,120	2,240
*Optional Snack Bar Declining Balance Plan		
14 Meal plan with \$50 credit	1,055	2,110
20 Meal plan with \$50 credit	1,165	2,330
Room: Double occupancy	770	1,540
Private room (optional)	1,155	2,310
Student Activity Fee	25	50

Summer School fees are published in a separate brochure each March. Brochures are available at the Admissions or Registrar's offices.

*The Snack Bar declining balance provides an initial credit of \$50.00 for use in the snack bar (including pizza delivery). Additional credits may be purchased in the snack bar. Credits cannot be redeemed for cash, and any unused credit at the end of any semester will be forfeited.

NOTE: The College reserves the right to change these rates upon 30 day notice to students. By order of the Board of Trustees all boarding students must participate in one of the meal plans provided by the College.

Tuition for full time students includes a portion to provide various extracurricular events under the administration of the Division of Student Development. Events include athletic, intramural, music, religious, and other activities. Parttime students (taking less than 12 semester hours or equivalent non-credit hours) will pay on the basis of semester hours or equivalent hours as shown below. Such students may not normally live in residence halls. In unusual cases where the Vice President for Student Development allows such a student to live in a residence hall, the student must pay the same tuition and fees as a boarding student.

HOURS	TUITION PER HOUR
1-3	\$140
4-7	210
8-11	420

Persons 55 years of age or older and ordained ministers actively serving a church who meet the admission requirements of the college may take courses, up to nine semester hours, at the rate of \$100 per semester, on a space available basis. Any special fees will apply.

Legal residents of the State of North Carolina will receive Legislative Tuition Grants (NCLTG) which will help to offset the scheduled fees. The amount to be awarded to each North Carolina student is determined annually by the State Legislature.

To qualify as a North Carolina resident, the applicant and/or parent must have permanent residence in the State for at least one year immediately preceding the beginning of the semester. Active duty military members stationed in North Carolina are considered North Carolina residents.

OTHER EXPENSES

- 1. A Key Deposit of \$20.00 is an annual charge, for residential students, which is refundable upon return of the original room key (where applicable). It is paid **during registration** at the first semester of resident enrollment each school year.
- 2. An Audit Fee of \$25.00 per hour is charged students who, with the permission of the Vice President for Academic Affairs, attend a class, but do not take it for credit.
- 3. A course overload fee of \$140.00 per hour is assessed students taking more than 24 semester hours or equivalent hours. A student must receive permission from the Vice President for Academic Affairs to take more than 18 hours.
- 4. A Music Fee of \$100.00 per semester is charged music majors for study in their major and minor applied music areas and for using practice rooms. Non-music majors are charged \$50.00 per semester per course for private instruction in an applied music area.
- 5. A late processing fee of \$50.00 is assessed students who do not register prior to the first day of classes in any semester, and those students who have not completed financial, medical record or immunization requirements by required deadlines.
- 6. A Graduation Fee of \$50.00 is charged for cap, gown, and diploma. Graduation in absentia costs an additional \$15.00.

Optional Fee(s) (paid during registration each semester.)

- 7. Vehicle registration with the Office of Safety and Security is required for all motorized vehicles, at \$30.00 per semester. Bicycle registration is free.
- 8. Linen service is optional and may be obtained for a non-refundable charge of approximately \$65.00 per year, or \$40.00 per semester.
- 9. Refrigerator rental is available for \$55.00 per school year. (\$10.00 refundable deposit is required).

16—Financial Information

- 10. Telephone service including voice mail is available in every dormitory room. An initial fee of \$100 is required for installation of which \$50.00 is refundable with the phones return in good condition. Telephones provided by the college must be used. Phone charges are billed to one person per room. Roommates should coordinate telephone billing prior to registration. Phone service costs \$25.00 per month per room plus long distance charges.
- 11. Cable television service is available in every dormitory room. Service is provided through the local cable company. A connection charge and monthly service charge are paid to the cable provider. Service is arranged during registration in the fall semester.
- 12. There are miscellaneous expenses not listed here. Books and supplies, for instance, will cost about \$480.00 per year.
- 13. A fee of \$10.00 will be assessed for any returned check at any time.

NOTES:

- 1. No credit for academic work is given for a diploma or for transfer purposes until all financial obligations to the College have been paid or adequately secured. In such cases, a student's transcript is placed on a non-release basis. Grade reports may also be withheld.
- 2. Although students may leave personal possessions in their rooms during breaks in the regular academic year, they are not permitted to do so during the summer months. The college reserves the right to dispose of any and all belongings left in the residence halls after the closing of school in May.
- 3. Chowan College does not carry insurance on students' personal belongings and is not responsible for loss or damage from any cause. Students are advised to check their family's home owners insurance to see if it covers belongings at college. If not, students may wish to obtain personal coverage.

PAYMENT OF COLLEGE COST

Tuition, fees, and other costs for the semester must be paid prior to registration in accordance with the schedule below. When a student is receiving financial aid, the balance due the college must be paid or arranged for prior to registration.

<u>Advance Payments</u> - A \$200 payment is paid by new students within two weeks after they are accepted and decide to enroll. Continuing students pay a \$100 payment prior to preregistration each spring. These payments are applied to tuition and fees. Housing and class assignments will not be made until this payment is made.

<u>Payment Schedule</u> - Statements for a remaining balance, after financial aid has been awarded, will be sent for the fall semester on June 15; for the spring semester November 15. Payment in full will be due each semester on August 1 for the fall semester and December 15 for the spring semester. Master Card and Visa credit cards are acceptable. <u>Monthly Payment Plan</u> - The college offers two no-interest deferred payment plans for amounts in excess of \$500 per year. There is a non-refundable application fee of \$48. Information on payment plans is mailed to all students in June each year. Information may also be obtained by contacting the Business Office at 919-398-1228. Payments on these plans are made according to the following schedule:

10 payment plan - monthly on the 15th beginning July 15

8 payment plan - monthly on the 1st beginning August 1.

Students who do not make the required payments promptly will be denied registration or suspended from school.

REFUND POLICY

Unless required by federal regulations, no student suspended, expelled, or otherwise dismissed from Chowan College for cause shall be eligible for any refund of deposits, fees, room and/or board.

Federal regulations (Section 688.22 [a][1]) states "an institution shall have a fair and equitable refund policy under which the institution makes a refund of unearned tuition, fees, room and board, and other charges to a student who received Title IV, HEA program assistance, or whose parents received a Federal PLUS loan on behalf of the student ..." The regulations further state (Section 688.22[b][1][iii]) that "for any student attending the institution for the first time whose withdrawal date is on or before the 60 percent point of enrollment for which the student has been charged" there shall be a pro-rata refund. The pro-rata refund amount is determined by (1) dividing the remaining weeks in the period for which the student is charged by the number of weeks in the enrollment period and rounding the percentage downward to the nearest 10%: (2) subtracting any unpaid tuition, fees, room and/or board from the charges and an administrative fee of the lesser of 5% of the charges or \$100; and (3) multiplying the amount in (2) by the amount in (1).

In addition to the required refund, Chowan College makes a pro-rated refund of room and board until the examination reading day. Students who withdraw because of medical problems and present a note from a doctor within twenty days of their last day of class attendance shall have a pro-rated refund of tuition at the same percentage as the room and board refund.

Students not covered by the pro-rata regulations are under the "Federal Refund" regulations. Tuition is refunded in this manner:

- withdrawals during the first 10% of the period shall receive a 90% refund less an administrative fee of the lesser of 5% of the charges or \$100.
- 2) between the 10% period and the 50% period, the refund percent shall drop 10% per week less an administrative expense of the lesser of 5% of the charges or \$100. Exceptions: a) If this causes the refund percent for the period of time between 10% and 25% to be less than 50%, the refund will be 50%. b) If this causes the refund percent for the period of time between 25% and 50% to be less than 25%, the refund shall be 25%.

(Steps 1 and 2 are in accordance with Appendix A [VIII] to Part 668.)

3) Students who withdraw because of medical problems and present a note from a doctor within twenty days of their last day of class attendance shall have a pro-rated refund of tuition at the same percentage

18—Financial Information

as the room and board refund. An administrative fee of the lesser of 5% or the charges or \$100 will be deducted.

The refund for room and board for students covered by the "Federal Refund" regulation shall be pro-rated until the reading day for examinations. (Unpaid charges may not be deducted for students who are under the "Federal Refund" regulation.) An administrative fee of the lesser of 5% of the charges or \$100 will be deducted.

Distribution of refunds to Title IV programs shall be in accordance to the schedule in section 668.22(g).

If there is any refund amount left after the refunds to Title IV programs, refunds shall be made to state programs. The amount of the refund shall be the lesser of the remaining amount or the percent of the tuition being refunded times the amount of state funds received. Exception: Before any refunds to state programs are processed for students under the "Federal Refund" requirement, any unpaid charges shall be deducted.

If there is any refund amount left after the refunds to the state programs, refunds shall be made to institutional programs. The amount of the refund shall be the lesser of the remaining amount or the amount of institutional funds received. Exception: Before any refunds to institutional programs are processed for students under the "Federal Refund" requirement, any unpaid charges shall be deducted.

If any refund amounts are remaining after the refund to institutional programs, they shall be refunded to outside donors. The amount shall be the lesser of the remaining refund amount or the amount received from outside donors. Exception: Before any refunds are processed for students under the "Federal Refund" regulation, any unpaid charges shall be deducted.

Any remaining refund amount shall be refunded to the student. Exception: Before any refunds are processed for students under the "Federal Refund" regulation, any unpaid charges shall be deducted.

This policy is, to the best of our knowledge, in accordance with 34 CFR 668.22 and Appendix A to part 668.

Financial Aid Exceeding Amount Owed

If the combination of financial aid received and payments made exceed the balance owed the college, a refund will be made in accordance with applicable federal regulations. If a written request is received, amounts will be credited to future tuition and fees.

Withdrawal

If, as required, the enrollment period's expenses have been paid by the time of registration, a student who withdraws from the college is entitled to a prorated refund in accordance with the above procedures. Students who are dismissed will have pro-rated refunds in accordance with the above procedures made to Title IV programs. Students removed from campus residence halls because of social infractions will forfeit all room charges for the balance of the semester.

Except where noted otherwise, refunds will be made within 30 days of official withdrawal, unless additional financial resources are anticipated or addi-

Financial Information—19

tional documentation is required to complete the withdrawal process. Refunds will not be provided to dependent students without the express written request of the parent or legal guardian. All undeliverable refunds and unclaimed credit balances on account will revert to the state of North Carolina after reasonable efforts are made to contact the student and parents and after 12 months of no activity on the account.

STUDENT CLASSIFICATION

A commuting student is considered to be one

- •who is obviously a resident of Murfreesboro
- •whose permanent residence is in such proximity to Murfreesboro that he/she can commute to and from the college each day, or
- •who is married and has established a residence for his/her family in the Murfreesboro area.

Other students, unless at least 23 years of age or a veteran of the U. S. military, are normally required to be boarding students. Boarding students must live in college housing and purchase a college meal plan. Board and room fees do not include holiday periods.

FINANCIAL AID

The purpose of the financial aid program at Chowan College is to help students who can not afford to go to college finance their education through a variety of scholarships, grants, loans, and/or part time employment. Applications for financial aid are evaluated without regard to race, creed, color, national origin, or sex.

In order to receive financial aid, a student needs to have been admitted to the College and, after enrollment, must make satisfactory academic progress as indicated below. Since financial aid is not automatically renewed, a student must apply each year.

Some restrictions apply: Recipients of college funded scholarships and/or grants are not allowed to receive total scholarships and grants from all sources in excess of their college charges plus an allowance for books and supplies. College funded scholarships and grants are not available for summer school.

HOW TO APPLY FOR FINANCIAL AID

Complete and file a Free Application for Federal Student Aid(FAFSA). The FAFSA is available in high school counselor's office. This information is used to determine how much the student and parent(s) can afford for educational expenses. Transfer students must have Financial Aid Transcripts from each college attended sent to Chowan. Priority is given to applications filed before April 1.

APPEALS

Financial aid is awarded based on the student's financial need and funds available. If a student feels that the amount awarded is not enough for him/her to attend Chowan College, he/she may appeal for additional assistance. The appeal must be in writing and must explain why more assistance is needed, with the amount needed specified.

GRANTS

FEDERAL PELL GRANTS

Federal Pell Grants are federal grants available to U.S. Citizens enrolled in college. Awards range from \$400 to \$2,440 per year. After filing the FAFSA, applicants receive a Student Aid Report.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANTS

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal grants ranging from \$100 to \$4,000 per year. These go to students who are U. S. Citizens who receive Pell Grants and have exceptional financial need.

NORTH CAROLINA CONTRACTUAL GRANTS

North Carolina Contractual Grants are awarded to residents of North Carolina who have financial need. Funding is based each year on appropriations by the North Carolina Legislature.

NORTH CAROLINA LEGISLATIVE TUITION GRANTS

North Carolina Legislative Tuition Grants (NCLTG) are given to every North Carolina student enrolled in at least twelve hours of college work. Funding is based each year on appropriations by the North Carolina Legislature.

NORTH CAROLINA STUDENT INCENTIVE GRANTS

North Carolina Student Incentive Grants (NCSIG) are funds appropriated by the State Legislature to match federal funds in order to assist students with financial need.

BAPTIST STATE CONVENTION OF NORTH CAROLINA GRANT

Sixty-six grants in the amount of \$1,000 are awarded to students who are members of churches affiliated with the Baptist State Convention of North Carolina. The grants are renewed if the recipient maintains a 2.00 quality point average. Applications are available in the Financial Aid Office.

CHILDREN AND SPOUSES OF ORDAINED MINISTERS GRANT

Dependent children and spouses of ordained ministers related to the Southern Baptist Convention may receive \$250 per semester for a maximum of eight (8) semesters. Students receiving this grant will not be eligible for a Chowan College Grant or Chowan College Scholarship.

CHILDREN OF SOUTHERN BAPTISTS MISSIONARIES GRANT

Dependent children of Southern Baptist missionaries are guaranteed to receive tuition, fees, room, board, and a book allowance less the amount they receive from the Margaret Fund. This grant is for eight (8) semesters if the stu-

Financial Information—21

dent maintains a 2.0 quality point ratio and is registered as a full-time student. A "Free Application for Federal Student Aid" must be filed annually.

DEPENDENTS OF CHOWAN COLLEGE FACULTY/STAFF GRANT

Unmarried dependent children under twenty-five years of age and spouses of members of the Chowan College faculty and staff shall pay \$25 per semester, file a need analysis form, and apply for any grants for which they may be eligible. These grants will be applied to their accounts. This fringe benefit is limited to eight (8) semesters per student, and is based on commuting student fees. Dependents who have a B.A. degree are not eligible to receive the grant. Dependents of employees who die while in the employment of the college will be eligible for this program.

DEPENDENTS OF FULL-TIME EMPLOYEES OF THE BAPTIST STATE CONVENTION OF NORTH CAROLINA OR INSTITUTIONS AND AGEN-CIES AFFILIATED WITH ONE OF THE STATE CONVENTIONS OF THE SOUTHERN BAPTIST CONVENTION GRANT

These students may receive upon proper certification, \$250 per semester for a maximum of eight (8) semesters if a 2.0 quality point ratio is maintained and the student is full time. Students receiving this grant will not be eligible for a Chowan College Grant or Chowan College Scholarship.

EMPLOYEE OF CHOWAN COLLEGE GRANT

Any employee who meets admission requirements may audit or take for credit any course offering that does not conflict with his/her work schedule and does not deprive a tuition-paying student of a place in the class. Enrollment during summer/winter sessions is contingent upon a sufficient number of tuitionpaying students to ensure the faculty member will receive full salary.

MINISTERIAL STUDENTS GRANT

Ministerial students who are related to the Southern Baptist Convention and supply the college with certification by their local churches may receive grants equal to fifty percent of tuition for eight (8) semesters, if they maintain a 2.0 quality point ratio, carry a full course load, participate in programs and projects of the Campus Ministerial Alliance and/or Baptist Student Union, and show evidence of good citizenship as a member of the campus community. Students receiving this grant will not be eligible for a Chowan College Grant or Chowan College Scholarship.

ORDAINED MINISTERS GRANT

Ordained ministers currently serving pastorates shall receive tuition and fees except for \$100.00 per semester, medical insurance coverage and extra fees such as music. This is on the condition that they complete financial aid papers as deemed necessary by the Director of Financial Aid.

OTHER CHURCH RELATED VOCATIONS GRANT

Students who are pursuing a church related vocation and who are members of the Southern Baptist churches may receive grants equal to twentyfive percent of tuition for eight (8) semesters, if they maintain a 2.0 quality point ratio and are registered full time. Students receiving this grant will not be eligible for a Chowan College Grant or Chowan College Scholarship.

SENIOR CITIZEN'S GRANT

Persons 55 years of age or older who meet the admission requirements of the college pay \$100.00 per semester plus special fees, on a space available basis. The grant will cover the remainder of the tuition.

SERVICE AIDE (BAPTIST YOUNG MEN) GRANT

Grants are awarded according to the student's level of achievement. The grants range from \$300 to \$500 per year and are in addition to any other college funded grant/scholarship the student receives. The grant is renewable for three years if the student maintains an overall 2.0 quality point ratio.

STUDIACT (ACTEEN) GRANT

Grants are awarded according to the student's level of achievement. The grants range from \$300 to \$550 per year and are in addition to any other college funded grant/scholarship the student receives. The grant is renewable for three years if the student maintains an overall 2.0 quality point ratio.

LOAN FUNDS

Federal Perkins Loan is a loan ranging up to \$3,000 per year,total eligibility is \$15,000. Recipients must have exceptional need. Repayment is deferred until nine months after the borrower ceases to be at least a half-time student. Interest at 5% begins nine months after the borrower ceases to be at least a halftime student.

Federal Stafford Loan Program allows freshmen students with demonstrated need to borrow up to \$2,625. Sophomores with demonstrated need may borrow up to \$3,500. Juniors and seniors with demonstrated need may borrow up to \$5,500. The total amount that a student can receive as an undergraduate is \$23,000. There is a combined origination fee and insurance fee of 4%. Interest rate is variable, capped at 8.25%, beginning six months after the borrower ceases to be at least a half-time student. Repayment begins six months after the borrower ceases to be at least a half-time student. These loans are made by banks, credit unions, and savings and loans associations. In North Carolina, most loans are made through College Foundation, Inc., an agency insured by the State Education Assistance Authority.

Federal Unsubsidized Stafford Loan Program - Same as Federal Stafford Loan except it is not based on financial need (FAFSA must be filed) and interest accrues while the student is in college.

North Carolina Scholarship/Loan for Prospective Teachers is available to residents of the State who plan to teach. Each year for five years after graduation, part of the loan is forgiven if the student teaches in North Carolina. Apply to the Department of Public Instruction, Board of Higher Education, Raleigh, North Carolina. There is a deadline of March 1.

Parents Loans for Undergraduate Students are available to parents at a variable interest rate based on the yearly average of T-Bill interest plus 3.1% with a ceiling of 9%. Parents may borrow educational costs minus other financial assistance the student receives. Interest begins with the loan's disbursement, and payments begin thirty days after disbursement.

The Education Resources Institute Supplemental Loan Program allows parents or students, with their parents' co-signature, to borrow up to \$10,300 per year. Variable interest is prime plus. Payments begin 45 days after the funds are received, but may be deferred while the student is enrolled full-time.

The Pickett and Hatcher Educational Fund, Inc. is a non-profit, non-commercial educational trust fund created to assist full-time undergraduate students in fields of study other than law, medicine, or the ministry. Low interest loans with deferred payments are made to qualified residents of Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee, or Virginia. The deadline for applications is June 15. Write to Pickett and Hatcher Educational Fund, Inc., P. O. Box 8169, Columbus, Georgia 31908.

OTHER GRANTS AND SCHOLARSHIPS

All applicants for admission with SAT scores of at least 800 and grade point averages of at least 2.00 are offered an incentive grant or merit scholarship. The amount of the awards is based upon the combined SAT score and grade point average. Incentive grants are renewed annually if the recipient maintains at least a 2.00 quality point average. Merit scholarships are renewed annually if the recipient maintains at least a 3.00 quality point average. The number of years the award is renewed is based upon the recipients grade level when he/she first enrolls at Chowan College.

ACADEMIC STANDARDS FOR FINANCIAL AID

A full-time student will be academically eligible to receive financial assistance through the federal Title IV programs (PELL, SEOG, PERKINS, CWSP, SSIG, STAFFORD, and PLUS) and the North Carolina Contractual Grant Program if he or she meets the standards given below.

At the completion of	1st sem.	2nd sem.	3rd sem.	4th sem.	5th sem.	6th sem.	7th sem.	8th sem.	9th sem.
A student must have earned at least this many semester hours	9	21	33	45	60	72	84	96	108+
With at least this cumulative QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

24—Financial Information

After attempting this number of hours	15	30	45	60	75	90	105	120	135
A student must have earned at least this many semester hours	12	24	36	48	60	72	84	96	108+
With at least this cumula- tive QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

A student who enrolls part-time must meet the following standards:

Any student who fails to meet these standards will be placed on academic probation for one semester. If after a semester of probation the standards are not met, the student will not be allowed to receive financial aid until the deficiency is removed.

Academic courses taken at other institutions after matriculation at Chowan will be treated the same as work taken at Chowan.

Students under academic suspension are not eligible to receive financial aid.

A student who does not meet the above standards for renewal of his or her financial aid and who attends Chowan without financial aid may request that his academic record be reviewed at the end of each enrollment period (semester or summer session).

Repeat courses in excess of the six allowed by the college policy count as hours attempted.

Courses with grades of "WF", "WP", "W", and "I" will not count as hours attempted.

Each academic support course (AS 001, 002, 003, 004) will count as three hours attempted. A grade of "S" will count as 6 quality points. A grade of "U" will count as "0" quality points. Exception: A course in which a grade of I is received will not count as hours attempted.

Transfer students will be treated the same as other students.

A student will not be awarded financial aid for more than 180 attempted hours. Transfer students will be allowed to receive financial aid until the hours accepted in transfer plus the hours attempted at Chowan equals 180 hours.

THE ACADEMIC PROGRAM

Chowan College offers the bachelor's degree in the following areas: Art - Graphic Design; Art - Studio; Biology (students may elect an emphasis in Environmental Biology or one more directed towards Allied Health [Laboratory Technology]); Business Administration (students may elect an emphasis in Accounting, Information Systems, Marketing, or Small Business Management); English; Elementary Education; History; Liberal Studies; Mathematics; Music; Physical Education (students may elect an emphasis in Athletic Training, Sport Management, or Sport Science); Printing Production and Imaging Technology; Psychology; Religion; and Science. In addition, the college awards the Bachelor of Applied Science degree. Descriptions and requirements of these programs are set forth in the Bachelor Degree Curricula chapter of this catalog.

The college offers the associate degree in the following areas: Liberal Arts; Music; Music Business; Printing Production and Imaging Technology. Information concerning these programs is contained in the Associate Degree Curricula chapter of this catalog.

REQUIREMENTS FOR GRADUATION

BACCALAUREATE DEGREE

To receive the bachelor's degree from Chowan College, a student must meet the following minimum requirements:

- 1. Earn credit in a minimum of 120 semester hours of college-level work, exclusive of physical education activity courses, and complete all requirement specified for a particular major. (Note: Some programs may require significantly more than 120 credit hours.) By the end of the first semester of the junior year, a student must have declared a major and been accepted into that program by the department offering the major.
- 2. Earn a minimum quality point average of 2.000 on all college work attempted. In addition, a minimum 2.000 cumulative quality point average is required on all courses in the major field of study. (Some programs require a 2.5 average.)
- 3. Complete at least one-half of the semester hours required for graduation at an accredited four-year institution. Further, a student must complete at least the last 25% of the credit hours required for graduation through instruction offered by Chowan College, with at least 12 of these hours (exclusive of practicums, practice teaching, internships, etc.) being coursework in the major field.
- 4. Discharge all financial obligations to the College.
- 5. Have the recommendation of the faculty and approval by the Board of Trustees.

ASSOCIATE DEGREE

For the associate degree, a student must fulfill the following requirements:

- 1. Earn credit in a minimum of 60 semester hours of college-level work, exclusive of Physical Education activity courses, and complete all requirements specified in a chosen curriculum.
- 2. Earn a minimum quality point average of 2.00 on all college work attempted. (After four semesters at Chowan, a student who has at least a 1.90 on all work attempted at Chowan may petition for permission to take work at another institution for the purpose of attempting to raise the QPA to a 2.00 average in order to graduate. A student may transfer no more than 9 hours back to Chowan for this purpose.)
- 3. If a transfer student, complete at least twenty-five percent of college work, with a quality point ratio of 2.0 or better, at Chowan College.
- 4. Discharge all financial obligations to the College.
- 5. Have the recommendation of the faculty and approval by the Board of Trustees.

OTHER GENERAL REQUIREMENTS

A student must choose to meet the requirements of the catalog under which he or she entered or the current catalog, but may not use both interchangeably. The candidate must indicate on the application for graduation the catalog under which he or she intends to graduate.

All degree candidates, including transfer students, are allowed 6 years from the date of enrollment at the college to satisfy the curriculum requirements in effect at the time of enrollment. After 6 years, the current requirements must be met. Any substitutions or changes in course requirements must be recommended by the department head and approved by the Vice President for Academic Affairs.

As a requirement for graduation (either bachelor's degree or associate degree), students must possess competence in reading, writing, oral communication, fundamental mathematical skills, and the use of computers. If at any point a student's work demonstrates a lack of competence in any of these areas, he/she may be required to pursue prescribed remediation. In such cases, satisfactory remediation is required prior to graduation.

Note: While an academic advisor is assigned to all students to help them plan their programs of study and to provide academic counseling, each student is ultimately responsible for meeting requirements for graduation.

GENERAL EDUCATION REQUIREMENTS

The general education requirements (core curriculum) is designed to provide a student with a frame of reference for formal studies, to assist in the integration of course work, and to enhance the qualities of judgment and freedom of mind

Academic Program—27

that distinguish a liberally educated person. As a central part of its general education program, Chowan College is strongly committed to the development of analytical and writing skills. The faculty and administration believe that the following requirements form a core around which to build a sound program of study. The required core courses for the *baccalaureate degree* are as follow:

- College 101 (2 semester hours—Course may be optional at discretion of college)
- English 101 and 102 (6 semester hours)
- Religion 111 and 112 or 111 or 112 and one other Religion course (6 semester hours)
- Physical Education activity courses (2 semester hours)
- History 101 and 102 or 201 and 202 (6 semester hours)
- Social Science elective (3 semester hours). Choose from the following: Economics 251, Economics 252, Psychology 201, Psychology 306, Sociology 207, Sociology 205, Geography 151
- Science with laboratory (8 semester hours). Choose from the following:
 Biology 101, Biology 102, Chemistry 101, Chemistry 102, Physics 101,
 Physics 102, Physics 203, Physics 204, Physics 210, Earth Science 211
- Fine Arts (3 semester hours). Choose from the following:
 - Art 161, Drama 161, Music 161
- Speech 210 or 211 (3 semester hours)
- Computers (2 or 3 semester hours)
- Humanities (6 semester hours). One course must be a Survey of Literature, chosen from the following: English 201, 202, 203, 204, 205, 206. Other courses must be chosen from the following fields: Literature, Philosophy, Fine Arts
- Mathematics (3 semester hours)
- Health 201 (3 semester hours)

The required core courses for the associate degree are as follow:

- College 101 (2 semester hours—Course may be optional at discretion of the college)
- English 101-102 (6 semester hours)
- Religion 111-112 (6 semester hours)

Speech 210 or 211 (3 semester hours)

Computers (2 or 3 semester hours)

Mathematics (3 semester hours)

Social or behavioral Sciences (3 semester hours)

Physical Education activity courses (2 semester hours)

Note: No student may take more than one physical education activity course per semester. A maximum of four activity courses may be applied to either the baccalaure ate or associate degree.

WRITING INTENSIVE COURSE REQUIREMENTS

Since the college believes that analytical and writing skills should be developed and demonstrated throughout a student's college experience, it requires that all students successfully complete a minimum of two upper level writing intensive courses, one of which must be in the major area. Preferably, one writing intensive course will be taken in the junior year and one in the senior year. Completion of prescribed writing intensive classes is regarded as one of the core requirements of the college.

MAJOR AND MINORS

For baccalaureate level programs, a major shall consist of no less than 30 semester hours beyond the freshman level in a specific field. For graduation purposes, a student must have a minimum average of 2.00 in major courses. As an exception, students in Education, Mathematics and Printing Production and Imaging Technology must have a 2.50 average.

A minor is not required for graduation, but the college does provide a number of minors for students who may desire such. A minor shall consist of no less than 18 semester hours and no more than 24 semester hours in a specific field. Students who are enrolled in associate degree programs do not have majors or minors.

TRANSFER CREDITS

Generally, courses taken at an accredited college or university that are equivalent to courses offered at Chowan are accepted in transfer. Normally the College will accept only work on which the student has earned a grade of C or better; however, D's may be accepted if the student has an average of C or better on all work attempted.

Transfer students who graduate with either the bachelor's degree or the associate degree, must complete as a minimum twenty-five percent of the hours required for graduation at Chowan College, and must earn at least a 2.00 average on all work taken at Chowan. The college reserves the right to require transfer students to take one or more placement tests to confirm acceptable proficiency in writing, reading, mathematics, and/or computer use. Remediation may be required if testing indicates a need for such.

Toward a student's last semester's work before graduation, the college will accept in transfer a maximum of 9 hours in the student's curriculum.

For information concerning transfer credit, contact the Registrar, who is responsible for evaluating transcripts.

CREDIT FOR CORRESPONDENCE COURSES

The college will accept toward the baccalaureate degree a maximum of 12 semester hours in correspondence courses from accredited institutions. The college will accept toward the associate degree a maximum of 6 semester hours in correspondence courses from accredited institutions.

CEEB ADVANCE PLACEMENT PROGRAM

High school students enrolled in Advance Placement (AP) courses may receive college credit by taking AP examinations upon completion of the courses and forwarding the results to the Office of Admissions for evaluation. In general, Chowan College awards credit for courses on which the student earns a score of three or better on the appropriate test.

Credit awarded by AP will be reflected on the student's transcript in terms of semester hours only. No letter grade will be recorded and no quality points assigned. A student's quality point average will be determined by grades earned in regular college courses.

COLLEGE LEVEL EXAMINATION PROGRAM (CLEP)

Chowan College participates in the College Level Examination Program of the College Entrance Examination Board. Credits are granted on the basis of scores on General Examinations or Subject Examinations where the student scores at or above the level most recently recommended by the CEEB. For information on specific CLEP credits acceptable at Chowan College, contact the Registrar of the College.

Credits by CLEP will be recorded on a transcript after the student has enrolled at the College and earned 18 semester hours.

A student will not receive credit for a Subject or General Examination if it duplicates in part or total any college level course for which the student has received credit.The CLEP credit will be entered on the student's transcript as semester hours completed, but no letter grade or quality points will be indicated. A student's average is determined by grades in regular college courses.

COURSE WAIVERS

In exceptional circumstances, students of proven ability who have independently pursued a systematic course of study may apply to have a course requirement waived. Where no credit is to be given, the chairperson of the department involved has the authority to grant such waiver. Where credit is sought, the student may attempt, upon recommendation of the department concerned and the Vice President for Academic Affairs, an examination to establish credit.

The following policies apply:

- 1. Departmental examinations for credit may be given only on those courses which have been designated by the department.
- 2. The student must consult in advance with his or her advisor and with the head of the department concerned.
- 3. Application must be made, and a letter of permission from the department head supplied to the Vice President for Academic Affairs.
- 4. If the application is approved, a non-refundable fee of \$25 for the examination will be charged.
- 5. No more than 8 semester hours may be earned toward fulfillment of graduation requirements by this method.

30—Academic Program

- 6. Credit and quality points will be granted only if the level of performance is C or better.
- Examinations for credit must be taken before the beginning of the last semester or before a summer session of work immediately preceding completion of requirements for graduation.

SYSTEM OF GRADES

- A -Excellent
- B -Above Average
- C -Average
- D -Below Average
- F -Failing
- S -Satisfactory
- U -Unsatisfactory
- W -Medical Withdrawal
- WP -Withdrawal when making passing grades
- WF -Withdrawal when making failing grades
- NG -No Grade Reported
 - I -Incomplete (The course must be completed by the end of the next semester.)

The grade of I is recorded only in the case of illness or emergency which results in the student's not being able to complete work in a course. If the work is not completed before the end of the next semester, a grade of F is recorded for the course. As an exception, an I may be recorded in a developmental course if the student is progressing but has not achieved the required proficiency to exit the course.

The grades of S and U are given only in non-credit courses.

ALL GRADES ARE FINAL AFTER THREE MONTHS.

QUALITY POINT SYSTEM

For the purpose of determining quality point ratio, each grade, A through F, is given a numerical value:

A: 4 quality points per semester hour

B: 3 quality points per semester hour

C: 2 quality points per semester hour

D: 1 quality point per semester hour

F: 0 quality point per semester hour

A student's average is based on work attempted at Chowan College.

STUDENT LOAD

The normal academic load for a regular student is 15-16 credit hours per semester. No student may carry more than 18 semester hours except by special permission from the Vice President for Academic Affairs. All regular students must carry a minimum of 12 hours per semester. No student is permitted to live in college housing unless he/she is enrolled in and maintains enrollment in at least 12 hours. Special or part-time students may carry up to 11 hours per semester. These may be credit hours, non-credit hours, or combination of both.

REPEATED COURSES

Repeating courses for credit is permissible and, in some cases, required, as when a student fails a course or makes a D in a course in the student's major area of concentration.

Transcripts record all grades; the grade for a repeated course will have an R beside it.

A student may have a maximum of six repeats without these counted as work attempted. There after, all repeated courses are counted as work attempted.

To exercise this option, the student must make a request in the Office of the Registrar.

RE-EXAMINATIONS

A student who is in the final year of a degree program may apply for only one reexamination in a course taken in that year if he/she can thereby qualify for graduation. Any request for re-examination must be approved by the person who teaches the course and subsequently by the chairperson of the department. If the departmental chairperson is the teacher, the Vice President for Academic Affairs will appoint another person in the department to consider the request. No grade higher than a C may be assigned as a result of a re-examination.

GRADE REPORTS

At the end of each semester, a grade report is sent to each student, with the grades and number of absences for each class. These grades are recorded on the permanent records in the Registrar's Office. A progress report is sent to students at mid-semester.

REQUIREMENTS FOR CONTINUED ENROLLMENT

In order to continue their enrollment at Chowan College, full-time students (taking at least 12 hours a semester) are expected to demonstrate steady progress toward graduation. Such progress means earning at least the minimal semester hours credit and maintaining at least the minimum quality point average as follows:

At the com- pletion of	1st sem.	2nd sem.	3rd sem.	4th sem.	5th sem.	6th sem.	7th sem.	8th sem.	9th sem.
A student must have earned at least this many semester hours	9	21	33	45	60	72	84	96	108+
With at least this cumula- tive QPA	1.2	1.3	1.4	1.5	1.6	1.7	1.8	1.9	2.0

32—Academic Program

Any student who fails to meet these minimum standards will be placed on academic probation for one semester. If after a semester of probation the continued enrollment requirements are not met, the student will be academically suspended from the college. Students under academic suspension may seek to regain eligibility for continued enrollment in the following manner: (1) Attend the summer session at Chowan College and seek to earn sufficient credit to qualify for continued enrollment, or (2) Apply for readmission after having been a non-student for at least one semester. In the case of option #2, readmission is not automatic, and each case is considered on its merits. If a student is readmitted under option #2, he/she will return on academic probation and must remove deficiencies in the probationary semester. No student may gain readmission under this option more than one time. Note: Normally a student will not be permitted to transfer work from any other institution for the purpose of removing probation or suspension.

After attempting this number of hours 15 30 45 60 75 90 105120 135 A student must have earned at 12 24 36 48 60 72 84 96 108 +least this many semester hours With at least this cumula-1.2 1.3 1.41.5 1.6 1.71.8 1.9 2.0 tive QPA

In order to continue their enrollment at Chowan College, special or part-time students (taking fewer than 12 hours a semester) must meet the following minimal standards:

Any special or part-time student who does not meet these requirements will be placed on academic probation. In order to be removed from academic probation, the student must meet the standards by the time the next level is attained. Failure to do this will result in suspension. The Vice President for Academic Affairs may attach conditions to enrollment on probation; for example, special advising, limited course load, repeat courses, developmental courses, study skills courses. A student who demonstrates lack of academic progress as measured by excessive class absences and poor academic performance may be required to withdraw prior to the end of the semester.

For purposes of meeting continued enrollment requirements only, successful performance in non-credit developmental courses (AS001- AS004) will be considered the equivalent of earning a grade of C in a three-hour course; a grade of S in AS005 will be considered equivalent to a grade of C in a one-hour course. A grade

Academic Program—33

of U in any developmental course is considered equivalent to an F in a creditbearing course. The college awards no actual credit for successful completion of such courses.

ACADEMIC HONORS

Academic excellence earns recognition at graduation. The following honors are granted based on all work attempted throughout a student's entire college career:

Summa Cum Laude	.3.80-4.00
Magna Cum Laude	.3.50-3.79
Cum Laude	.3.25-3.49 (effective Class of 1997)

The following grade point averages for a semester's work entitle students, if they are full-time students, to honors at the completion of the semester:

The	President's List	3.80–4.00
The	Dean's List	3.25–3.79

Any grade below C in a particular semester will disqualify a student from placement on any honors list in that semester. A student who earns a grade below C at any point during his or her college career is ineligible for summa cum laude honors at commencement but may qualify for other honors. A grade of U in a non-credit course is considered less than C for these purposes.

Only students enrolled in 12 or more credit hours (exclusive of Academic Support hours) are eligible for placement on the President's List or the Dean's List.

STUDENT CLASSIFICATION

Classification of students is determined by credit hours earned:

Freshman	0–26 hours
Sophomore	27–59 hours
Junior	60–89 hours
Senior	90+ hours

DROPPING OR ADDING CLASSES

With the approval of the professor and the Registrar, a student may add courses during the first week of each semester.

A course may be dropped during the first three weeks of the semester without academic record.

Classes may be dropped without academic penalty until one week after the mid-term grading period. That last date for dropping a course without penalty is listed in the College calendar. The student's transcript will reflect a WP or WF if the class is dropped during this period.

Withdrawal from a course after the official drop period or an unofficial withdrawal will result in a grade of F.

Under extenuating circumstances, a student may appeal to the Registrar in order to withdraw officially from a course and receive a grade of W for the course. *See the Withdrawal Policy below.*

34—Academic Program

PROCEDURE FOR CHANGING CLASSES OR COURSES

- 1. Obtain a Drop/Add form from the Registrar's Office.
- 2. Get the advisor's approval and signature on the form.
- 3. Get the approval and signature of the professor(s) involved in the change.
- 4. Return the form to the Office of the Registrar. If the class change is a matter of convenience rather than necessity, the Registrar may charge a \$5.00 fee for each change.

CLASS ATTENDANCE POLICY

The faculty and administration at Chowan College believe that class attendance is an important part of each student's educational experience. It is expected that every student will attend every class session unless there is a sound reason to be absent.

Attendance policies will be established by each academic department of the College. The departmental attendance policy will be included in the syllabus of each course taught in the department and will be distributed to students in the first class meeting. It is the student's responsibility to be aware of the attendance policy for each course. As a minimum, a student will be allowed to make up any work missed which was due to participation in a college-sponsored activity, illness, or emergency, when such absences are verified by the Registrar. It is the student's responsibility to make up work missed.

If the number of absences exceeds 25% of the scheduled class meetings, the student will not normally receive credit for the course. A student who wishes to appeal an absence decision should initiate such an appeal through the appropriate departmental chairperson. The chairperson will normally render a decision on the appeal. A student may appeal the decision of the departmental chairperson to the Vice President for Academic Affairs. If the course in question is taught by the departmental chairperson, the Vice President will hear the appeal initially. NOTE: Excessive class absences may result in a student's dismissal from the college.

CLASSROOM CONDUCT

All students are expected to behave in a mature and orderly manner. Disruptive and/or disorderly conduct will not be tolerated in the classrooms or laboratories of Chowan College. After appropriate warning, a teacher may dismiss from class or laboratory a student whose conduct is, in his or her opinion, disruptive. In the case of a grievous offense, a student may be dismissed without prior warning. Such students will not be permitted re-entry into the class until clearance is obtained from the faculty member, the appropriate departmental chairperson, and/or the Vice President for Academic Affairs. Absences incurred during a dismissal from class will be recorded as unexcused.

In a case involving serious disruptive behavior, the College reserves the right to take additional disciplinary action through its established judicial process. If a student is found guilty of such an offense, the minimum penalty will be dismissal from the class in question with a semester grade of F, while the maximum penalty will be expulsion from the College, depending on the gravity of the offense.

WITHDRAWAL POLICY

A student who finds it necessary to withdraw from the College must consult with the Registrar and arrange for official withdrawal. Honorable dismissal will not be granted without official withdrawal. Students who withdraw from the College during the first three weeks of the semester will have no record of the courses taken.

Students who withdraw from the College after the first three weeks of the semester and up to one week after mid-term will receive WP or WF, and semester hours will not be counted as work attempted. Students who withdraw during the period from one week after mid-term until the end of the term will receive a grade of F in each course, and the semester hours will count as work attempted.

Exceptions to this policy may be made for any of the following reasons:

- 1. Illness of the student or illness in the family which requires the attention of the student. In either case, a physician's certificate must be presented and approved by the Registrar.
- 2. Death of a member of the student's immediate family.
- 3. Other extenuating circumstances approved by the Vice President for Academic Affairs.

If any of these exceptions applies, the student will receive a grade of W, and semester hours will not be counted as work attempted.

For information concerning refunds at withdrawal, see the "Refund Policy" under "Financial Information".

TRANSCRIPT REQUESTS

Upon request, students are entitled to one free copy of their transcripts. For additional copies, there is a fee of \$3.00 each. No transcript will be released if the student has outstanding financial obligations to the College.

STUDENT RECORDS

Chowan College has an established policy concerning the availability of student records. This policy complies with the Family Educational Rights and Privacy Act of 1974, as amended. The Act, with which the college intends to comply fully, was designed to protect the privacy of educational records, and to provide guidelines for the correction of inaccurate or misleading data. The Chowan College policy on the availability of students' educational records is on file in the Office of the Registrar and may be obtained upon request.

WHITAKER LIBRARY

Whitaker Library is an attractive and welcoming building, providing services and resources that are central to the educational process. The library is open approximately 80 hours per week for study, research, or leisure reading, and holds about 90,000 volumes, all on open shelves. The resource collection also contains more than 700 magazine, journal, and newspaper titles, with most of the

36—Academic Program

latest issues also on open shelves for easy pursual. Whitaker Library has a small but growing CD-ROM network and offers access to collections beyond its own by providing Internet Access and Interlibrary Loan Services. Several special collections are available, including the Oscar Creech Baptist Collection, the McDowell Room of Archives and Antiquities (Chowan and local history), and the Instructional Materials Center.

ACADEMIC SUPPORT COURSES

Prior to registration, all new students are evaluated in the areas of English, mathematics, and reading. In cases where evaluation results indicate specific academic deficiencies, a student may be advised or required to enroll in a developmental course or courses. Because such work is preparatory and supportive of college-level work, no academic credit is awarded for successful completion. The student should complete such work as early as possible in order to make appropriate progress toward graduation.

NOTE: The college reserves the right to change its academic policies upon proper notice.

THE CURRICULA

BACCALAUREATE DEGREE PROGRAMS

GENERAL EDUCATION REQUIREMENTS

As indicated in the Academic Program chapter of this catalog, the following general education/core requirements apply to all students who are seeking a bachelor's degree.

College 101 (2 semester hours - Course may be optional at discretion of college) English 101-102 (6 semester hours) Religion 111 and 112 or 111 or 112 and one other Religion course (6 semester hours) Physical Education Activity Courses (2 semester hours) History 101 and 102 or 201 and 202 (6 semester hours) Social Science Elective (3 semester hours). Choose from the following: Economics 251 Economics 252 Psychology 210 Psychology 260 Sociology 205 Sociology 207 Geography 151 Science with Laboratory (8 semester hours). Choose from the following: **Biology 101** Biology 102 Chemistry 101 Chemistry 102 Earth Science 211 Physics 101 Physics 102 Physics 203 Physics 204 Physics 210 Fine Arts (3 semester hours). Choose from the following: Art 161 Drama 161 Music 161 Speech 210 or 211 (3 semester hours) Computers (2 or 3 semester hours) Humanities (6 semester hours) One course must be Survey of Literature chosen from the following: English 201, 202, 203, 204, 205, 206.

Other courses must be chosen from the following fields: Literature, Philosophy, or Fine Arts Mathematics (3 semester hours) Health 201 (3 semester hours)

BUSINESS ADMINISTRATION

- 1. The Bachelor of Science (B.S.) in Business Administration degree is awarded to those who complete successfully all requirements in the Business Administration curriculum, as outlined in the curriculum section of this catalog. This section specifies the general education requirements, business core requirements, and the specialty courses that students must complete, as well as the number of credit hours which must be earned in these areas.
- 2. All baccalaureate degree programs at Chowan College require completion of a minimum of 120 semester hours in academic work, plus 2 semester hours in physical education activity courses. The physical education requirement may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take equivalent hours in an elective, as approved by the advisor.
- 3. Graduates must possess a minimum average of 2.00 on all work attempted.
- In addition to competence in fundamental reading, writing, and 4. mathematical skills and competence in oral communications, students who receive the B.S. in Bus. Adm. degree are expected to possess the following competencies: (a) A firm foundation of general education courses from which to proceed to upper division or graduate study; (b) Competence in the use of computers as a dynamic body of knowledge; (c) A basic understanding of computer-based information systems, which provide essential support for the decision-making process in an organization; (d) A basic understanding of information systems theory and the application of information analysis and design methodologies using computing skills and technology; (e) A thorough knowledge of accounting as the language of business and an understanding of the principles of recording, summarizing, reporting, and interpreting financial data; (f) Competence in maintaining accounting records and preparing external reports for proprietorships, partnerships, and corporations; (g) Competence in the preparation, analysis, and interpretation of accounting and financial data for internal reporting and decision making; (h) A basic understanding of marketing and the marketing perspective; (i) An understanding of the principles of macroeconomics and microeconomics; (j) A basic knowledge of the American legal system as it relates to business situations; (k) A fundamental knowledge of financial theory and practice; (1) A broad overview of the field of management and the managerial decision-making process; (m) Competence in problem solving and the ability to choose from a variety of different problem-solving methodologies to analytically formulate a solution; (n) Creativity and a tolerance and respect for this characteristic in others; (o) A tolerance for change and skills for managing the process of change; (p) In-depth preparation in a specialty area (accounting, computer information systems, or small business management) or advanced preparation well distributed

among three specialty areas of study; (q) A basic understanding of the Judeo--Christian heritage; (r) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

BUSINESS CORE REQUIREMENTS

All students who earn the B.S. degree in business administration must complete the following business core requirements (47 credit hours*):

ACCT 141:	Principles of Accounting I
ACCT 142:	Principles of Accounting II
BUS 220:	Marketing
BUS 251:	Principles of Macroeconomics
BUS 252:	Principles of Microeconomics
BUS 281:	Business Law I
BUS 382:	Business Law II
BUS 301:	Principles of Finance
BUS 324:	Business Communications
BUS 361:	Management
IS 171:	Fundamentals of Information Processing
IS 262:	Personal Productivity with IS Technology
IS 391:	Management Information Systems
MATH 133:	College Algebra
MATH 205:	Math Probability and Statistics

*NOTE: BUS 251 and MATH 133 in the business core fulfill 6 credit hours of general education requirements as well.

MINORS IN THE DEPARTMENT OF BUSINESS

Minors in specified areas of business are available to students who pursue majors in areas of study outside the Department of Business as well as to business students who have an emphasis in a different area. Minors require the completion of 19-20 semester hours in designated business courses. Students who earn minors in the Department of Business must complete BUS 251 or BUS 252 in fulfilling General Education requirements. Minors are available in Business Administration, Accounting, Computer Information Systems, and Small Business Management. Specific requirements for these minors follow:

Minor in Business Administration (20 hours):

ACCT 141: Principles of Accounting I ACCT 142: Principles of Accounting II BUS 301: Principles of Finance BUS 281: Business Law I BUS 361: Management IS 262: Personal Productivity with IS Technology

- BUS 323: Retail Merchandising or BUS 425: Entrepreneurship BUS 361: Management
- IS 262: Personal Productivity with IS Technology

EDUCATION

Chowan College offers undergraduate level programs leading to licensure in Elementary Education (K-6). In addition, the college has applied for authorization to offer licensure programs in Secondary Mathematics and English and in K-12 Physical Education. The college should be able to accept new students in these areas beginning in the fall of 1996.

The primary goal of the Teacher Education Program at Chowan College is to prepare students for successful careers as elementary or secondary teachers. To accomplish this goal, students will be involved in developmentally appropriate learning experiences which include a balance of general education (Core Studies), professional studies, including extensive field-based work, and specialty studies.

OBJECTIVES

Students who successfully complete the Teacher Education Program at Chowan College will:

- understand the concept of "the teacher as facilitator of learning for all students."
- be eligible for teacher licensure in their area of concentration in North Carolina**.
- have the knowledge and skills to diagnose a student's learning style and be able to prescribe appropriate activities to meet his/her needs.
- have adequate knowledge of all aspects of general education and detailed knowledge of specific subject matter in the area of licensure.
- have the knowledge and skills necessary to maintain a classroom which has a positive learning environment.
- have the knowledge and skills needed to work effectively with children who are identified as exceptional.
- have an understanding of how to work effectively with students from culturally diverse backgrounds.
- have gained an understanding of the importance of networking and the use of resource people to help meet the needs of students.
- have developed a sound work ethic and decision-making skills.
- understand the nature of learning and the importance of life-long learning.
- have acquired a positive attitude toward teaching as a profession.
- demonstrate proficiency on all state-required competencies for the appropriate licensure area(s).

**North Carolina has reciprocity agreements with Virginia and approximately 30 other states.

ADMISSION REQUIREMENTS

(For Teacher Education Majors - Junior Year)

All students making initial application to the Teacher Education Program must:

- 1. fill out a formal application for the program and be interviewed by the chairman of the Education Department.
- 2. submit a cumulative grade point average of 2.50 or higher on a 4.0 scale

on all college course work completed.

- 3. submit written recommendation from their major advisor and from one other faculty member of their choice on forms supplied by the Teacher Education Department.
- 4. achieve a minimum or higher score on PPST PRAXIS I Exam as established by the North Carolina State Board of Education.
- 5. have successfully completed Speech 210 or 211 and be certified as having good oral and written expression.
- 6. be officially approved for admission by the Teacher Education Committee.
- 7. complete Education 201 (Introduction to Teaching) with a grade of C or better.

REQUIREMENTS FOR TRANSFER STUDENTS

All transfer students who do not have a bachelor's degree must meet the same requirements for admission to Teacher Education as regular students. Such students should apply through the Teacher Education Department Chairperson and submit a transcript of all completed college work. Once this transcript has been evaluated by the Registrar and the Department Chairpersons, a written program of study can be developed to meet the required Teacher Education competencies. (Minimum QPA of 2.50 will be based on first full semester's work at Chowan.)

REQUIREMENTS FOR LICENSURE ONLY STUDENTS

- 1. Be accepted for admission to the college
- 2. Be interviewed by the chairperson of the Education Department and by the teacher education coordinator of the area in which the student is seeking a license.
- 3. Fill out formal application for admission to teacher education program including two letters of reference from individuals who can attest to their academic background.
- 4. Have transcripts of all college work evaluated by chairperson of teacher education department and by teacher education coordinator of licensure area. (Student may submit documentation of significantly related course work and/or professional experience that may substitute for required courses in the licensure area. Decisions as to the acceptability of such courses/experience are jointly made by the above named officials.)
- 5. Have written course of study developed by department chair and licensure area teacher education coordinator which includes all courses and activities needed for satisfying licensure requirements.
- 6. Be certified as having acceptable oral and written expression (transcript evaluation, interview, and/or formal assessments).
- 7. Achieve a minimum or higher state approved score on PPST (PRAXIS I)*.
- 8. Achieve a minimum 2.5 GPA on the first semester's courses taken at Chowan College.
- 9. Be officially approved for admission by the Teacher Education Committee.
- * Licensure only students who have a GPA of 3.0 or better may be exempted

from PRAXIS I (PPST). Decisions related to this will be made jointly by teacher education chairperson and teacher education coordinator in licensure area.

REQUIREMENTS FOR LATERAL ENTRY STUDENTS

- 1. Be accepted for admission to the college.
- 2. Be interviewed by the chairperson of the Education Department and by the teacher education coordinator of the area in which the student is seeking a license.
- 3. Fill out formal application for admission to teacher education program including two letters of reference from individuals who can attest to their academic background.
- 4. Have transcripts of all college work evaluated by chairperson of teacher education department and by teacher education coordinator of licensure area. (Student may submit documentation of significantly related course work and/or professional experience that may substitute for required courses in the licensure area. Decisions as to the acceptability of such courses/experience are jointly made by the above named officials.)
- 5. Have written course of study developed by the chairperson of the teacher education department, the teacher education coordinator of the licensure area, and by the personnel director of the employing school system. This document will include all courses and activities required for meeting licensure requirements.
- 6. Be certified as having acceptable oral and written expression (transcript evaluation, interview, and/or formal assessments).
- 7. Achieve a minimum 2.5 GPA on the first semester's courses taken at Chowan College.
- 8. Be officially approved for admission by the Teacher Education Program.
- 9. Teachers already employed and teaching in a school system generally will <u>not</u> be required to complete the formal student teaching program. The principal of the school in which the teacher is working will be asked to submit a copy of the exit evaluation, certifying the successful completion of a year of teaching.

10.When all courses have been completed, evidence of competencies gained through experience, etc., have been evaluated and passing scores submitted for the professional, the college will submit a recommendation for licensure to the State Department of Public Instruction.

REQUIREMENTS FOR CONTINUING IN TEACHER EDUCATION PROGRAM

(Regular Students, Transfer Students, Licensure Only Students and Lateral Entry Students)

- 1. Maintain a grade point average of 2.50 or better on all college work.
- 2. Earn a grade of "C" or better on all professional courses and field-based experiences.
- 3. Meet all agreed upon schedules for field-based observations, tutoring sessions, and student teaching.
- 4. Apply for, and be approved to participate in student teaching- (students wishing to do student teaching in the spring semester must apply through

the department chairperson by November 10th; to be eligible for student teaching in the fall semester, students must apply by April 10th of the preceding spring semester). (Lateral entry licensure students exempted from student teaching.)

REQUIREMENTS FOR ELEMENTARY EDUCATION MAJORS (K-6)

- 1. Bachelor of Science (B.S.) degree in Elementary Education is awarded to those students who successfully complete the requirements in the teacher education program and the Elementary Education curriculum.
- 2. The B.S. degree with a K-6 certification in Elementary Education requires 51 semester hours in the general core, 42 semester hours in an area of specialty studies, and 35 semester hours in professional studies.
- 3. Specific objectives of the program are to graduate students who:
 - can demonstrate an understanding of the undergirding philosophy of the Chowan College Teacher Education program; i.e., "the teacher as facilitator of learning for all students."
 - demonstrate a professional commitment to teaching and to the importance of the profession.
 - understand and can demonstrate the dynamics of human interaction between teacher-student, teacher-parent, teacher-teacher and teacher-administrator.
 - possess a thorough knowledge of the academic disciplines which provide the foundations for subjects taught in K-6 grades.
 - possess a thorough working knowledge of the North Carolina Standard Course of Study in all content areas K-6.
 - have effective oral and written communication skills.
 - have an understanding of the psychological growth and development of children in grades K-6.
 - understand and can demonstrate a diverse repertoire of effective teaching practices which they can use in performing their executive, interactive, and organizational functions.
 - understand and can demonstrate the concept of integrated learning as it applies to K-6 students.
 - understand and can demonstrate the importance of planning as related to effective teaching and classroom management.
 - have the knowledge and skills needed to work effectively with children who are identified as exceptional.
 - have the knowledge, skills, and attitudes necessary for working effectively with students from culturally diverse backgrounds.
 - understand all K-6 computer competencies and can demonstrate proficiency in each.

Students will attain mastery of the required competencies for elementary licensure by successfully completing the following program:

General Knowledge Core	51 cr. hrs.
English	9 cr. hrs.
History	
Math	

Lab Science (one life science and one physical science)8 cr. hrs.

ENGLISH

- 1. The Bachelor of Arts degree (B. A.) in English is awarded to those students who complete successfully all of the requirements in the English curriculum outlined below.
- 2. Students in English must complete a minimum of 122 semester hours, including 51-53 hours from the core curriculum, 12 hours of foreign languages, 36 hours of English courses in addition to the freshman English requirement. Required additional hours are electives selected by the student with the approval of the advisor.
- 3. An English major may not earn a grade lower than a C in English courses.

- 4. Graduates in English must possess a minimum average of 2.00 on all work attempted.
- 5. Studies in literature and language should lead to a richer appreciation of life and its meaning. Learning to express oneself, orally or through writing, demands attention to what one perceives to be true about experience. Seeing how others express themselves, by reading great literature or studying foreign languages, teaches a variety of perspectives on culture and existence, thus expanding a student's vision. These studies also encourage and help develop a sense of aesthetics and humane values. While these values cannot be measured, we feel they are central to the life of the truly educated.

Other goals of this department are more practical and functional, and may be measured. A student who has completed our program and seeks graduation should be able

- to organize ideas in logical expository prose that is grammatically expressed in correct paragraph and essay form.
- to demonstrate an ability to read and think critically.
- to understand and articulate ideas expressed in serious literature.
- if majoring in English, to understand the variety of approaches to literary studies and their purposes, as well as have wide exposure to the literature of the English language.
- to demonstrate effective oral communication skills.
- to demonstrate an awareness of the interaction of language, culture, and society through foreign language content.
- to demonstrate elementary or intermediate proficiency in speaking, listening, writing, and reading French or Spanish.
- to find and use materials in the library.

REQUIREMENTS FOR A B. A. DEGREE IN ENGLISH

General Knowledge Core53 cr. hrs. Foreign language or proficiency at the intermediate level12 cr. hrs.

English 301 - Introduction to Literary Studies;

English 310 or 312 - History of the English Language or Advanced Grammar; English 410 - Shakespeare

A grade of C or better in all English courses, including English 101 and 102.

REQUIREMENTS FOR A MINOR IN ENGLISH

ENGLISH EDUCATION

The college is currently seeking authorization to offer a teacher education licensure program, grades 9-12, in English Education. If such authorization is obtained, students may be admitted into this program in the fall 1996.

GOALS

The primary goal of the Secondary English Program is to ensure that prospective teachers acquire the attitudes, knowledge, skills, and competencies necessary to perform effectively in secondary English classrooms--that the effective teacher is a facilitator of learning and that all children can learn.

OBJECTIVES

Students who successfully complete the English Education Program at Chowan College will:

- 1. Demonstrate an adeptness in the process of both producing and understanding oral and written communication and non-verbal language.
- 2. Demonstrate familiarity with a wide variety of literature.
- 3. Demonstrate the ability to enable students to employ efficiently the communication skills of reading, writing, listening, speaking, and viewing.
- 4. Demonstrate the ability to diagnose the needs of students and design and execute appropriate teaching activities which enable those students to develop effective thinking and communication skills.
- 5. Demonstrate professional values by participating appropriately in the development of the curriculum; recognizing the relationship between students' learning of language and the social, cultural, and economic conditions within which they are reared; serving as a model for correct and effective use of communication; staying informed of current trends in communications skills; and maintaining affiliations with professional organizations.
- 6. Demonstrate competencies in the humanities that are considered desirable for enriching the knowledge and skills of teachers.
- 7. Demonstrate English-computer competencies.

REQUIREMENTS FOR A B.A. DEGREE IN ENGLISH EDUCATION

The B. A. degree with major in English and secondary licensure in English (grades 9-12) is awarded to those students who successfully complete the following requirements:

1. Complete a minimum of 128 hours of credit to include:

- a. 51 hours from the core curriculum (the Humanities elective should be a 200-level literature course).
- b. 12 hours in foreign language or proficiency at the intermediate level.
- c. 36 hours of English courses above English 101 and English 102 (6 hours included in the core curriculum), including:
 - (1) 3 literature survey courses at the 200 level, excluding English 205 (2 included in the core curriculum).
 - (2) English 205: Survey of Ancient World Literature
 - (3) English 301: Introduction to Literary Studies
 - (4) English 305: Young Adult Literature
 - (5) English 310: History of the English Language or English 312: Advanced Grammar
 - (6) English 311: Advanced Composition
 - (7) English 410: Shakespeare

- d. 35 hours of professional studies required for teacher certification. Consult these specific requirements under the listing for the Department of Education in this catalog, in the Teacher Education Handbook, or on the Checklist for Graduation Requirements in English Education found in the Teacher Education Handbook.
- 2. Achieve a minimum average of 2.50 on all courses completed.
- 3. Achieve a minimum average of 2.50 on all English courses completed, including English 101 and English 102.

HISTORY

The Goal of History as an Academic Discipline at Chowan College

Based on the assumption that knowledge of the past is essential to an understanding of the present and will provide valuable guidance in the shaping of the future, the primary goal of history as an academic discipline at Chowan College is to expose the student to those seminal developments - political, economic, social, intellectual, religious, and cultural - that have produced our present civilization, as well as those that have produced civilizations in other times and places.

To achieve this goal the department will concentrate on (1) increasing the student's familiarity with patterns in history and ability to observe how these patterns apply to other fields; (2) differentiation between social and political changes within civilizations; (3) a basic grasp of significant events affecting the general course of history; (4) some sense of chronology in relation to cause and effect promoting the concept of history as a continuum of interrelated developments; (5) use of primary evidence -documentary and oral - to analyze events.

Purpose In Offering a B. A. in History

The department seeks to provide good grounding for graduate study and develop abilities useful for a variety of professions such as teaching, research in business or government, and the expanding field of historical restoration and museology.

BACHELOR OF ARTS DEGREE IN HISTORY

The Bachelor of Arts degree in History requires successful completion of the following:

- 1. A minimum of 128 semester hours, exclusive of physical education activity courses and including Economics 251, Government 108, and at least 45 semester hours from 300 and/or 400 level courses, with an overall "C" average on all work attempted.
- 2. A foreign language or proficiency through the intermediate level.
- 3. The General Education Requirement of the college.
- 4. A minimum of 36 semester hours in history, with an overall "C" average and no grade below C in any history course or required social science course. Requirements include:

Basic History: HIST 101, 102, 201, 202

Advanced History: Two courses each from the American and European areas

Special Advanced History: HIST 470 and HIST 495 Two history electives.*

5. A minor consisting of 18 semester hours from one of the major academic disciplines of the college other than history, or 18 semester hours of approved electives in non-history courses.

*The history electives may include either REL 341, 342, 418, or 443; but, when so used, the religion course may not be counted toward fulfilling the requirements of another major, a minor, or an approved elective.

BACHELOR OF SCIENCE DEGREE IN HISTORY

The history student will find that the Bachelor of Science degree in History is excellent preparation for government service, for broad business opportunities, for positions in historical agencies, for teaching, and for law school. *NOTE: It is recommended that students interested in graduate studies earn a Bachelor of Arts in History.*

This program replaces the foreign language requirement with twelve (12) hours in one of the following areas:

BUSINESS AND ACCOUNTING

Those students concentrating in this area will be well prepared upon entering business related fields or professional schools in law or business. Business (banks, insurance companies, etc.), law schools, and graduate programs in business administration and accountancy welcome students who think rationally and logically, express themselves clearly and coherently in both oral and written form, possess a broad education in the liberal arts, and have specialized in an appropriate academic major.

EDUCATION

For those students interested in a teaching career, concentration in this area will augment their program of study with credits aimed at public school certification or a private school position.

COMPUTERS AND MATHEMATICS

Because of their additional training in computers and mathematics, students concentrating in this area will be uniquely qualified to enter a number of private and public sector jobs traditionally open to liberal arts and social science majors holding the bachelor's degree. Consequently, they should enjoy an advantage in the job market, especially in the area of public history.

The Bachelor of Science degree in History requires successful completion of the following:

- 1. A minimum of 128 semester hours, exclusive of physical education activity courses and including Economics 251, Government 108, Psychology 201, and at least 42 semester hours from 300 and/or 400 level courses, with an overall "C" average on all work attempted.
- 2. An additional 12 semester hours in one of the following areas:

BUSINESS AND ACCOUNTING

- BUS 252 Principles of Microeconomics
- BUS 281 Business Law I
- BUS 301 Principles of Finance
- BUS 324 Business Communications
- BUS 351 Money and Banking
- BUS 361 Management
- BUS 382 Business Law II
- BUS 390 Risk and Insurance
- ACCT 141-142; 240; 243; 341-342

EDUCATION

- EDUC 201 Introduction to Teaching
- EDUC 301 Introduction to Special Education
- EDUC 303 Analysis of Research in Teaching
- EDUC 320 Foundations of American Education
- EDUC 371 Media and Technology
- EDUC 471 Methods and Materials for Teaching High School Social Studies

COMPUTERS AND MATHEMATICS

- IS 171 Introduction to Information Systems
- IS 261 Microcomputer Operating Systems
- IS 262 Computer Applications
- IS 272 Program Design and Development
- IS 273 Programming Language
- IS 361 Local Area Networks
- MATH 205 Math Probability and Statistics
- MATH 210 Calculus I
- MATH 211 Calculus II
- MATH 340 Linear Algebra
- MATH 351 Mathematical Probability and Statistics
- 3. The General Education Requirement of the college.
- 4. A minimum of 36 hours in history, with an overall "C" average and no grade below C in any history course or required social science course. Requirements include:

Basic History: HIST 101, 102, 201, 202.

Advanced History: Two courses each from the American and European areas.

Special Advanced History: HIST 470 and HIST 495 Two history electives*

- 5. A minor consisting of 18 semester hours from one of the major academic disciplines of the college other than history, or 18 semester hours of approved electives in non-history courses.
- *The history electives may include either REL 341, 342, 418, or 443; but, when so used, the religion course may not be counted toward fulfilling the requirements of another major, a minor, or an approved elective.

REQUIREMENTS FOR A MINOR IN HISTORY

- 1. Students must secure the approval of their academic advisors, and complete an enrollment procedure with the chair of the Department of Social Science.
- 2. Students must complete eighteen semester hours in history in addition to the six hours used to meet the requirements of the core curriculum and including the six hour history survey sequence not used in meeting core curriculum requirements.
- 3. No grade lower than a "C" may be used in fulfilling the requirements for the minor.

LIBERAL STUDIES

- 1. The Bachelor of Arts (B.A.) is awarded to those students who successfully complete the requirements specified in the Liberal Studies curriculum.
- 2. The Liberal Studies curriculum at Chowan College requires the completion of a minimum of 122 credit hours in academic work, plus 2 credit hours in physical education activity courses. The physical education requirements may be waived for students with physical disabilities, as certified by a physician, but such students will be required to take the equivalent hours in an elective, as approved by the advisor.
- 3. Graduates must possess a minimum average of 2.00 quality point average on all work attempted.
- The field of Liberal Studies has long been associated with philosophical 4. inquiry and critical facility. Utilizing an interdisciplinary approach, the Liberal Studies curriculum is designed to provide the student with the breadth of knowledge that will allow the student to interpret intelligently the various issues that confront the citizens of the world community. The Liberal Studies curriculum draws heavily upon the accumulated wisdom of our own and earlier civilizations and seeks to promote the objectivity and independence of mind that will allow a critical analysis of our own cultural heritage, as well as that of other lands and peoples. The student will develop a respect and understanding of the major disciplines (arts, humanities, sciences, and social studies) and the kinds of thinking, abilities, and talents required in each. These sensibilities are demonstrated to some degree, in a student's discussion, whether by essay or by self-expression, in and out of the classroom. These qualities are, to some degree, relative and individual. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the B. A. in Liberal Studies degree are expected to possess the following competencies: (a) An understanding of historical, literary, aesthetic, and cultural heritage as measured by completion of the required credit hours in the areas of humanities and the social sciences; (b) Basic conversational skills in a foreign language as measured by the completion of a language through the intermediate level; (c) An appreciation of scientific methods used in exploring and solving problems as measured by completion of the required credit hours in the natural and theoretical sciences; (d) A refined individual sensitivity to moral and ethical issues as evidenced by the successful

completion of the required credit hours in religion and philosophy; (e) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

5. A student may choose a track for specialization or emphasis within the framework of the Liberal Studies curriculum, or a student may continue to broaden his/her education by taking a wide range of courses available throughout the interdisciplinary Liberal Studies curriculum.

REQUIREMENTS FOR A B. A. DEGREE IN LIBERAL STUDIES (Minimum of 124 semester hours)

In addition the student may choose from the following areas as required to total at least 47 semester (credit) hours. At least 40 of these semester hours must be level 200 or above, and of this number 30 hours must be at the 300 or 400 level. The student may elect additional semester hours of electives from OTHER COURSES.

MATHEMATICS

Two degrees are offered in mathematics - a Bachelor of Arts (B. A.) in Mathematics and a Bachelor of Science (B. S.) in Mathematics. The requirements for these degrees are outlined below.

The B. A. degree is a liberal arts based degree with a major in mathematics. Students earning this degree will complete a core of liberal studies courses and selection of courses in mathematics that is typical of an undergraduate major in the subject. Students completing this degree will be prepared for either graduate study in mathematics or for entry level positions requiring an undergraduate degree in mathematics.

The B.S. degree also allows the student the latitude of choosing a broad base of liberal studies courses. It does not require a foreign language but instead requires a year of chemistry, a year of calculus based physics, and six semester hours in computer science. This degree will prepare the student for certain levels of graduate study or for entry level positions requiring an undergraduate degree in mathematics.

In addition, the college is currently seeking authorization to offer a teacher licensure program, grades 9-12, in Mathematics Education. If such authorization is obtained, students may be admitted into the program in the fall 1996. The B.S. degree is awarded to students who successfully complete the requirements for this program. The professional studies component of this curriculum as well as the major courses in mathematics are required to ensure that the student meets all the required competencies for licensure. In addition, the breadth of coverage in mathematics prepares the student for graduate studies in mathematics or in mathematics education.

All students majoring in Mathematics must complete three semesters of calculus, linear algebra, statistics, modern algebra, differential equations, advanced calculus, and nine hours of upper level mathematics electives. A minimum GPA of 2.50 on all major courses is required. No grade below a C in any mathematics course will be counted toward the degree in Mathematics.

REQUIREMENTS FOR A B. A. DEGREE IN MATHEMATICS

Complete a minimum of 125 semester hours of credit to include:

General Knowledge Core50 cr. hrs.

A foreign language or proficiency at the intermediate level1	2 cr. hrs.
Required mathematics courses as outlined in	
the major requirements	6 cr. hrs.
Elective courses	7 cr. hrs.
At least 12 hours should be in an approved	
designated area with at least 6 hours at the	
junior or senior level. Elective courses in	
mathematics do not count in this 12 hour requirement.	

Achieve a minimum average of 2.50 on all mathematics courses completed with no grade below a C.

Mathematics courses required for a B. A. degree in Mathematics: Mathematics 210, 221, 310, 315, 340, 351, 430, 470, plus 3 hours of mathematics at or above the 300 level plus 6 hours of mathematics above the 400 level.

REQUIREMENTS FOR A **B.S.** DEGREE IN MATHEMATICS

Complete a minimum of 127 semester hours of credit to include:

General Knowledge Core4 Applied core	
CHEM 101, 102; PHYS 203,204; IS 171, MATH 295	22 CI. IIIS.
Required mathematics courses	36 cr. hrs.
Elective courses	27 cr. hrs.
At least 12 hours should be in an approved designate	
area with at least 6 hours at the junior or senior level.	
Elective courses in mathematics do not count in this	
12 hour requirement.	

Achieve a minimum GPA of 2.50 in all mathematics courses completed with no grade below a C.

Mathematics courses required for the B.S. degree in mathematics: Mathematics 210, 211, 310, 315, 340, 351, 430, 470, plus 3 hours of mathematics at or above the 300 level plus 6 hours of mathematics above the 400 level.

*The science requirement usually found in the general core is included in the applied core.

REQUIREMENTS FOR A B. S. DEGREE IN MATHEMATICS: TEACHER PREPARATION

The college is currently seeking authorization to offer a teacher licensure program, grades 9-12, in Mathematics Education. If such authorization is obtained, the following requirements will pertain for students admitted into this program:

Complete a minimum of 127 semester hours of credit to include:

General Knowledge Core and electives53 cr. hrs Introduction to Pascal	
Required mathematics courses as outlined in the major requirements	.
Professional studies required for teacher licensure	i.

Achieve a minimum average of 2.50 on all courses completed.

Achieve a minimum average of 2.50 on all mathematics courses completed with no grade below a C.

Required mathematics courses:

Mathematics 210, 211, 310, 325, 340, 351, 430, 460, 480, plus 6 hours of mathematics at or above the 300 level.

The goal of the secondary mathematics education curriculum is to provide opportunities for pre-service teachers to acquire attitudes, knowledge, skills, and competencies required to perform effectively in secondary schools. Specifically, the secondary school mathematics education curriculum prepares prospective teachers to:

- 1. Understand the logical and sequential nature of mathematics, its structure and interrelationships, and the universality of its contributions to culture.
- 2. Study in depth those areas of mathematics having maximum relevance to the secondary curriculum and make the relevant connections between college mathematics and the mathematics taught in the secondary school.
- 3. Study advanced topics in upper-level courses that are relevant to current mathematical trends so that, as a teacher, they can direct students into appropriate and rewarding areas.
- 4. View personal computing experiences from the perspective of their applicability to mathematics and their usefulness to the teaching of mathematics.
- 5. View personal studies in areas related to mathematics from the perspective of how mathematics is applied to those disciplines.
- 6. Master the methods, materials, and equipment specifically related to teaching mathematics in a culturally pluralistic classroom.
- 7. Develop an awareness of the need and the disposition for continued learning in the field of mathematics and the teaching of mathematics.
- 8. Develop, in addition to the above, each of the following basics: (a) A functional competence in the basic skills of mathematics. (b) A general reasoning ability as well as critical and creative thinking processes. (c) An understanding of basic mathematical concepts, processes, symbolism, and applications. (d) A self-assurance and pride-in-achievement that comes from developing one's mathematical potential to its fullest through mathematical discovery and successful problem-solving. (e) A background in mathematics sufficient to keep doors open to future graduate education and career choices. (f) An appreciation of the beauty of mathematics and its cultural significance as well as a positive attitude toward the study of mathematics.

REQUIREMENTS FOR A MINOR IN MATHEMATICS

A minor in mathematics shall consist of 20 credit hours in mathematics as follow:

Calculus 210, 211	8 cr. hrs.
Linear Algebra 340	3 cr. hrs.
Foundations of Mathematics 240	3 cr. hrs.
At least 6 additional credit hours taken from the following	g:
Probability and Statistics 205, Calculus 310, College Geom	etry 325,
Mathematical Probability and Statistics 351, Introduction	to Modern
Algebra 430, History of Mathematics 460, Advanced Calcu	ulus 470.

MUSIC

- 1. The Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) degree is awarded to those students who complete successfully the requirements specified in the Music curriculum as outlined in this section of the catalog.
- 2. The Music curriculum at Chowan requires the completion of at least 127-130 credit hours as outlined in this section of the catalog.
- 3. Graduates must possess a minimum of 2.00 QPA on all work attempted and must earn a grade of C or better in all music courses at the 200 level and above.
- 4. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the bachelor's degree in Music are expected to possess the following competencies: (a) Literature -Possess a basic acquaintance with the standard works of music history and the composers associated with these works, as well as the various style periods of music history to which the major composers belong; (b) Theory - Possess basic writing skills structure of 4 part harmony; sufficient skills to analyze and comprehend music compositions; including knowledge of the non-harmonic tones; (c) Theory Competency - Possess a knowledge of the techniques of composers of the 17th to the 20th centuries; have an awareness of the harmonic materials used in these historical periods from the simple triad through seventh chords, altered chords, ninth, eleventh, and thirteenth chords, simple and complex methods of modulation; (d) Ear Training - Development of the ear to the point that students can transcribe a melody as well as simple four part harmony; (e) Sight Singing - Possess sufficient proficiency to sing at sight melodies of a medium degree of difficulty; (f) Keyboard - Possess competence in playing all major and minor scales hands together, all major and minor, diminished and dominant seventh arpeggios 2 octaves; in playing easy pieces from the various stylistic periods; in playing I IV I V I cadences, in harmonizing simple melodies, and in playing the most simple accompaniments, hymns and songs.

In addition to the foregoing, music majors with a specialization in voice should be able to sing with proper vocal technique, have expanded their repertory of new songs (approximately 4-5 each semester), and be able to sing, with proper pronunciation, in at least one language other than English. Each semester of study should also include at least one aria from an oratorio or opera.

In addition to the foregoing, music majors with a specialization in piano should be competent in playing all major and minor scales 4 octaves, hands together, all major and minor, dominant and diminished, seventh arpeggios 4 octaves, hands together; in understanding and playing repertoire from the various stylistic periods; in playing basic chord progressions; in transposing simple songs; in harmonizing simple melodies; in playing accompaniments.

In addition to the foregoing music majors with a specialization in organ should be competent in playing exercises and scales for manuals and pedals in H. *Gleason's Method of Organ Playing*; in understanding the stops and principles of registration; in performing works from the standard repertoire of the various stylistic periods; in hymn playing and service playing.

In addition to the foregoing, music majors with band instrument specialization should be able to play major and three forms of minor scales; major and minor arpeggios; have a working knowledge of basic chord progression; should be able to play Grade 5 solos from the North Carolina Band Association solo list.

Music listory - possess a basic understanding of the development of music as an art form in Western civilization from antiquity to contemporary times and its relationship to historical developments in other aspects of Western culture;

Senior recital - each student is expected to present a recital during the senior year in the area of the applied music specialization. This recital can be presented as a joint recital with another student or as a solo recital. The recital, either solo or joint, should contain at least 40 minutes of music performed by the student. In addition, a student may present a partial recital during the junior year.

Each student graduating in Music Education should have sufficient technique to demonstrate artistic performance in the specialized area for classroom use.

NOTE: Chowan does not require an audition for admittance as a music major. However, ALL STUDENTS ADMITTED AS MUSIC MAJORS WILL BE ON PROBATION FOR THE FIRST SEMESTER OF STUDY AT CHOWAN. Each student must show acceptable progress, especially in applied music courses, during the probationary semester. If such progress, as determined by the music faculty, is not evidenced, then the student may: (1) not be allowed to continue as a Music Major; OR (2) be allowed to continue for a second, probationary semester. A third semester on probation will not be allowed.

REQUIREMENTS FOR THE BACHELOR OF SCIENCE IN MUSIC

a

NOTE: If a student does not already possess a basic level of keyboard proficiency, the applied minor will be piano. If a basic keyboard proficiency is attained before the degree requirements are fulfilled, the student may elect another applied area for study.

MINOR IN MUSIC

Students who are pursuing a baccalaureate degree in a field other than music may elect to minor in music by fulfilling the following minimum requirements:

Applied Music Lab 100A-400B	.0 cr. hrs.
Music Theory 151-152	
Music Theory Lab 101-102	.2 cr. hrs.
Applied Music8 or	: 6 cr. hrs.
Intro. to Music Lit. 171	.2 cr. hrs.
Ensemble (Band or Chorus)6 or	8 cr. hrs.

NOTE: If a student does not already possess a basic level of keyboard proficiency, additional study in piano will be required. Such study may continue through 4 semesters or until a basic proficiency is acquired.

PHYSICAL EDUCATION

The college offers the B. S. degree in Physical Education in four areas: Physical Education (Teacher Licensure Program), Physical Education (Sport Management Emphasis), Physical Education (Sport Science Emphasis), and Physical Education (Athletic Training Emphasis).

PHYSICAL EDUCATION TEACHER LICENSURE PROGRAM

The college is currently seeking authorization to offer a teacher licensure program (K-12) in Physical Education. If such authorization is obtained, students may be admitted into this program in the fall 1996.

PHILOSOPHY

The graduates of the teacher licensure program in Physical Education will be "facilitators" of learning for future generations. The program is committed to the production of professionals with a broad base of general knowledge, proficiency in motor skills, a solid understanding of the scientific foundations, and competency in pedagogy.

GOALS

The primary goal is to prepare students for a career as a Physical Education teacher with a K-12 licensure.

All graduates from the Department of Health and Physical Education at Chowan College will:

- 1. possess a broad foundation in general knowledge to relate to the rapidly changing world
- 2. demonstrate competence to meet state, regional, and national guidelines and requirements for certification in teacher education and physical education
- 3. exhibit proficiency of motor skills in sports, games, activities, and levels of fitness
- 4. be cognizant of the professional educator's role of being exemplary in health, fitness, attitude, professional development, and continuing education
- 5. demonstrate an understanding of the scientific foundations especially as related to analysis of motor skills and salient feedback to improve performance

- appreciate and utilize the needs, abilities, and characteristics of the learner, especially the atypical or exceptional, in the planning, organization, implementation, and evaluation of a program
- 7. demonstrate mastery of a variety of teaching methods to achieve student success and improve self-esteem in all learners
- 8. apply modern technology to the diverse field of Physical Education and Health to facilitate the teaching-learning process

REQUIREMENTS FOR A **B. S.** DEGREE IN PHYSICAL EDUCATION

The B. S. degree with a K-12 teacher licensure in Physical Education requires 53 semester hours in the general core, 35 semester hours in the professional education core, and 46 semester hours in the Physical Education major. Completion of 134 semester hours in academic work plus two semester hours in physical education activity courses are required for the degree. A graduate must possess a minimum grade average of 2.5 on all work attempted. Specific requirements follow:

General Knowledge Core	53 cr. hrs.

UNATIVE SUCCESSION OF CLUIS	

PRINTING PRODUCTION & IMAGING TECHNOLOGY

- 1. The Bachelor of Science (B. S.) in Printing Production & Imaging Technology degree is awarded to those students who complete successfully all requirements in the Printing curriculum, as outlined in this catalog.
- 2. The B. S. in Printing Production & Imaging Technology requires completion of a minimum of 129 semester hours, including two semester hours of physical education activity courses, with an average of at least 2.00 on all work attempted, and a minimum average of 2.5 in all graphic communications courses.
- In addition to competence in fundamental reading, writing, and 3. mathematical skills and competence in oral communications, students who receive the Bachelor of Science in Printing Production & Imaging Technology are expected to possess the following competencies and expertise: (a) operate desktop publishing systems to generate type matter, line and gray scale images for a variety of printing forms, including newspaper pages, advertisements, magazines and book pages, and commercial forms. Students will also learn the technique of capturing and outputting four color images; (b) prepare paste-up mechanicals for single and multi-color printing forms with the effective use and placement of type, photographs, art work, and other typographic elements; (c) operate process cameras to produce offset film negatives from line and continuous tone copy and process via tray and automatic film processors; (d) prepare a variety of offset printing plates through the effective use of image assembly techniques for single and multicolor printing jobs; (e) operate a color scanner computer to produce separations of full-color copy at various percentages and line rulings; (f) operate a variety of presses to include offset duplicators, medium size single color sheet-fed, two-color offset, flatbed screen printing, and a three unit flexographic web press to produce single and multi-color forms; (g) possess a basic knowledge of printing papers and inks to include the characteristics and application of each; (h) demonstrate appropriate skills and work habits through an internship agreement with a newspaper or commercial printing company; (i) to operate equipment used in the packaging and specialty printing industry to include screen printing, flexographic web equipment; (j) to demonstrate a thorough understanding of management practices and principles used in the printing industry such as production planning, scheduling and cost estimating; (k) an appreciation of the cultural significance of the printing and publishing industry, (l) learn techniques for critical thinking and problem solving, (m) a basic understanding of the Judeo--Christian heritage; (n) a knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

REQUIREMENTS FOR THE B. S. IN PRINTING PRODUCTION & IMAGING TECHNOLOGY

General knowledge core49 cr. hrs.
(PPIT computer courses meet the BS requirement in computers)
Required printing courses:
Graphic Arts I 1014 cr. hrs.
Digital Imaging Technology 1114 cr. hrs.
Graphic Arts II 121
Specialty Printing 1314 cr. hrs.
Digital Imaging Technology II 213
Technical/Digital Photography 223
or Multimedia 3513 cr. hrs.
Offset Printing Applications I 2334 cr. hrs.
Digital Imaging & Color Reproduction 311
Paper and Ink 3312 cr. hrs.
Printing Applications II 341
Current Trends & Quality Issues 442
Drinting Estimating & Droduction Dlanning 442
Printing Estimating & Production Planning 4434 cr. hrs.
Internship 45110 cr. hrs.
Required courses in Business
Business Law 281
Introduction to Business 1103 cr. hrs.
Principles of Accounting 1414 cr. hrs.
Principles of Economics 251 or 252
Management 3613 cr. hrs.
Selling 3223 cr. hrs.
Free Electives8 cr. hrs.

PSYCHOLOGY

The Bachelor of Arts (B.A.) degree is awarded to those students who complete successfully the following requirements:

- 1. Earn a minimum of 120 hours of approved academic work, plus at least two hours of physical education activity courses, with an average of 2.0 or better on all work attempted, and a grade of C or better on all courses toward the major.
- 2. Complete all of the general education requirements of the college.
- 3. Demonstrate a proficiency in a foreign language through the intermediate level.
- 4. Complete 36 semester hours in the major field, including PSYC 210, 230, 260, 270, 310, 350, 390, 410, 450, and 470.
- 5. Complete a minor with 18 semester hours in one of the approved academic disciplines.

OBJECTIVE

The primary objective of the Psychology program is to endeavor to help students understand the fundamentals of human behavior, to teach the fundamentals of the scientific method of studying human behavior, to develop an appreciation of the dignity and complexity of people, to prepare students to live with honor in society, and to serve others in a worthy manner. To accomplish these objectives, the program seeks to:

1. Make students aware of the findings of the best research in the field and the work of outstanding contributors to the discipline.

- 2. Familiarize students with the opportunities and avenues of service and the duties associated with them.
- 3. Make students aware of the ethical responsibilities of social scientists as researchers and workers.
- 4. Help students evaluate their own abilities and potential and to discover ways to use these to the best advantage.
- 5. Encourage students to develop those personality traits which will make them better citizens.

Work in Psychology helps to prepare students for vocational opportunities in fields such as counseling, law enforcement, civil service, guidance, mental health, prisons, business, government, and research.

MINORS FOR PSYCHOLOGY

Students who major in Psychology must complete a minor in an approved field. Minors may be pursued in the following areas: Biology, Business, Education, or English.

RELIGION

The Bachelor of Arts (B. A.) degree in Religion requires the successful completion of a minimum of 126 semester hours with an overall "C" average (2.00) on all work attempted. A minimum of 36 semester hours must be completed in courses offered in the Department of Religion and Philosophy. Moreover, the distribution of courses to meet degree requirements - both within the department and across the college curricula - must adhere to those guidelines which are further delineated below.

In addition to those general competencies expected of all who earn a degree from the college, those who major in religion are also expected to demonstrate: (1) adequate acquaintance with and understanding of biblical literature, as evidenced by successful completion of the required departmental distribution of courses in biblical studies; (2) adequate acquaintance with and understanding of developments in Christian history, as evidenced by successful completion of the required departmental distribution of courses in historical/theological studies; (3) adequate acquaintance with and understanding of major ethical and philosophical issues or concerns, as evidenced by the successful completion of the required departmental distribution of courses in ethical/philosophical studies; and (4) adequate competence for and commitment to continued pursuit of their vocational goals, as evidenced through further academic studies and/or effective leadership in Church and community.

Course offerings in the Department of Religion and Philosophy are distributed across three areas: biblical studies, historical/theological studies, and philosophical/ethical studies. Offerings are designed to afford the student introductory, or general survey, approaches to biblical studies, historical/theological studies, and philosophical studies. Opportunities for advanced, or specialized, work are also currently provided in the areas of biblical studies and of historical/theological studies. With future departmental expansion, it is anticipated that advanced offerings will be made available in philosophical/ethical studies as well.

72—Bachelor Degree Curricula

A major in religion requires the successful completion of a minimum of 30 semester hours in religion and philosophy courses, beyond the general knowledge core. Moreover, this requirement must include a distribution of courses as follows: 15 hours in biblical studies, 9 hours in historical/theological studies, and 6 hours in philosophical/ethical studies. A maximum of 39 hours in Religion and Philosophy may be applied towards requirements for the baccalaureate degree.

A minor in religion consists of 18 semester hours beyond the general knowledge core, with the distribution of those courses as follows: biblical studies (9 hours), historical/theological studies (6 hours), and philosophical/ethical studies (3 hours).

The student who chooses to major in religion will be expected to work closely with an academic advisor from the department in designing his/her curriculum beyond the general education (core) requirements and the departmental requirements noted above. A minimum of 126 hours is required for the baccalaureate degree, including at least 36 semester hours of 300-400 level courses.

REQUIREMENTS FOR A B. A. IN RELIGION

Complete a minimum of 126 semester hours of credit to include:

General Knowledge Core	53-54 cr. hrs.*
Religion and Philosophy	30 cr. hrs.
Foreign Language	12 cr. hrs.
Humanities	9 cr. hrs.
Social/Behavioral Sciences	9 cr. hrs.
Mathematics/Natural Sciences	3-4 cr. hrs.
Electives	10 cr. hrs.
*Must include Religion 111, 112	

REQUIREMENTS FOR A MINOR IN RELIGION

Complete 18 semester hours beyond the core requirement.	
Biblical studies9 c	r. hrs.
Historical/theological studies6 c	r. hrs.
Philosophical/ethical studies3 c	r. hrs.

SCIENCE

The Department of Science seeks to provide students with an excellent foundation in the biological and physical sciences. The curriculum is designed to prepare students for careers in teaching, industry, research, government, and admission to professional schools and other areas. These areas include but are not limited to agriculture, forestry, pulp and paper science and technology, dentistry, medicine, nursing, physical therapy, veterinary medicine, optometry, pharmacy, dental hygiene, medical technology, and/or any other professional areas requiring a background in the natural sciences.

Students pursuing the B. S. in the science area may elect a B.S. in Biology. or Science. Those who graduate with a B. S. in Biology, or in Science must possess a minimum GPA of 2.00 on all science courses. In addition, a student must achieve a 2.00 overall GPA and must complete a minimum of 122 semester hours, of which no more than two are in physical education activity courses

The B.S. degree is awarded to those students who successfully complete all of the requirements as outlined in the curriculum section of this catalog. Students who receive the B.S. Degree are expected to possess the following basic minimum competencies: (1) competence in a broad base knowledge of physical and biological science; (2) competence in essential scientific ideas, concepts, and skills; (3) competence in the collection of quantitative and qualitative data; (4) competence in evaluating situations analytically.

PRE-PROFESSIONAL PROGRAMS

The department of science provides students with preparation for professional training. Some pre-professional programs (medicine, dentistry, veterinary medicine, pharmacy, and pre-physical therapy) are four year programs and lead to a Bachelor of Science degree from Chowan; others (nursing, pre-dental hygiene, optometry, forestry, pre-pulp and paper science, and agriculture) are intended to assist students in pursuing these programs at other institutions. Students interested in these latter programs may complete two to four years at Chowan before transferring.

Students entering any pre-professional program must plan carefully. Professional school catalogs should be consulted to ascertain specific requirements and recommendations and open dialogue between the student and his/her advisor should begin early.

BIOLOGY MAJOR

A Biology Major can be obtained from either of two tracks:

Track I

Allied Health/Laboratory Technology Track

From this track, students may continue with clinical work in a health field, enter professional school, graduate school or continue laboratory work which leads towards laboratory technology and employment in a laboratory setting.

Track II

Environmental Biology Track

Courses in this track constitute a concentration for those students with environmental interests. With the current emphasis on wetlands, students would be in a good position for employment or continuing study in graduate school.

The total general core plus science core plus the above 26 must be 106-107 cr. hrs. *This additional 26 credit hours may be chosen to fit the students major area of interest: biological science, or physical science.

TOTAL MINIMUM REQUIRED HOURS FOR GRADUATION (includes no more than two PE credits)......122 Cr. hrs.

VISUAL ARTS

For students desiring to pursue a degree in the visual arts, the college offers two programs: Graphic Design (B.S.) and Studio Art (B.A. or B.S.)

GRAPHIC DESIGN

- 1. The Bachelor of Science (B.S.) degree is awarded to those students who successfully complete all the requirements in the Graphic Design curriculum as outlined below.
- 2. Students wishing to major in Graphic Design are required to submit a portfolio for evaluation by the art faculty. Approval of the portfolio is a prerequisite to taking upper level (300-400) courses. Submission dates will be

76—Bachelor Degree Curricula

posted. Should a student's portfolio be rejected, he/she may resubmit it for evaluation after appropriate changes have been made. Entrance portfolio requirements are available through the advisor. Transfer students must submit a portfolio for evaluation during the first semester at Chowan. Transfer students are subject to the same conditions as are other students in that they may not take any upper level courses until their portfolio has been accepted.

- 3. Graduates must possess a minimum QPA of 2.00 on all work attempted with no grade lower than a C in the area of concentration.
- 4. In addition to those basic competencies required by the college, students receiving the B.S. degree in Graphic Design are expected to: (a) manipulate form on a two-dimensional surface through the use of line, form and perspective; (b) create designs using the elements and principles of design; (c) understand basic processes and techniques in printmaking, painting, ceramics, drawing, and sculpture; (d) understand the history of art by identifying major art periods, styles, and historically significant artists; (e) use the principles of advertising design to create graphic designs; (f) illustrate, using a variety of styles and media ; (h) prepare a final portfolio; (i) organize and hang a senior exhibit.
- 5. Portfolios must be submitted for evaluation and approval prior to graduation. All students must exhibit selected pieces of their portfolio in a one person or small group senior exhibition prior to graduation.

REQUIREMENTS FOR A B.S. DEGREE IN GRAPHIC DESIGN

-	
General knowledge core	51 cr. hrs.
Art Foundations2	1 cr. hrs.
ART 101, 102, 171, 172, 231, 241 or 242, 291	
Art Appreciation and History	9 cr. hrs.
ART 161, 311, 312	
Graphic Design1	5 cr. hrs.
ART 261, 361, 362, 461, 499	
Illustration	9 cr. hrs.
ART 371, 372, 471	
Printing Courses (PPIT 101, 111, 223)1	1 cr. hrs.
Internship or elective	.6 cr. hrs.
Senior Exhibition/Portfolio 449	.3 cr. hrs.

STUDIO ART

(B.A. or B.S.)

- 1. The Bachelor of Arts (B.A.) or Bachelor of Science (B.S.) degree is awarded to those students who successfully complete all of the requirements of the Studio Art curriculum, as outlined in the curriculum section of this catalog. This section specifies both the general education and specialty courses that students must complete.
- 2. The B.A. and the B.S. degree with an emphasis in Studio Art requires the completion of at least 129 semester hours.
- 3. Graduates must possess a minimum average of 2.00 on all work attempted with no grade lower than a C in their area of emphasis.
- 4. Students should be able to (a) identify major art styles and representative artists of each; (b) react to art in an aesthetic and articulate manner; (c)

Bachelor Degree Curricula-77

demonstrate an ability to use perspective, shading, design, composition, line, and color effectively in creating art work; (d) create art in the third dimension; (e) demonstrate competency on a professional level in one studio area; (f) compile and present a portfolio; (g) have an understanding of the history of civilization.

5. Portfolios must be submitted for evaluation and approval prior to graduation. All students must exhibit selected pieces of their portfolio in a one person or small group senior exhibition prior to graduation.

REQUIREMENTS FOR A B.A. DEGREE IN STUDIO ART

General Knowledge Core	51 cr. hrs.
Foreign language through the intermediate level	6-12 cr. hrs.
Art Foundations	24 cr. hrs.
Art 101, 102, 151, 171, 172, 231, 241 or 242, 291	
Art Appreciation 161	3 cr. hrs.
Art History 311-312	
Studio Concentration	12 cr. hrs.
Internship or elective	3 cr. hrs.
Senior Exhibition/Portfolio 499	3 cr. hrs.
Studio Elective	9 cr. hrs.
Free Electives (6 hours or more at 200 level)	9 cr. hrs.

REQUIREMENTS FOR A B.S. DEGREE IN STUDIO ART

General Knowledge Core	51 cr. hrs.
Art Foundations	
Art Appreciation	3 cr. hrs.
Art History 311-312	
Studio concentration	
Internship or studio elective	
Senior Exhibition 499	
Studio elective	9 cr. hrs.
Free Electives (9 or more hrs. at 200 level or higher)	

BACHELOR OF APPLIED SCIENCE (BAS)

The Bachelor of Applied Science (BAS) degree is awarded to students transferring to Chowan College with an Associate in Applied Science Degree or its equivalent from a program in a regionally accredited two-year college or technical school. Chowan will accept in transfer a maximum of 64 semester hours from students who have the associate's degree or equivalent in applied science or health science from a regionally accredited two-year college or technical college. These 64 semester hours must include at least 36 in the major, as well as appropriate certification by national and state boards. The bachelor's degree from Chowan requires completion of a minimum of 128 semester hours, at least 64 of which must be earned at Chowan. These include completion of the required core courses at Chowan,unless these courses were completed elsewhere. Further, the student must complete a minimum of 27 hours of elective credit at the upper level

78—Bachelor Degree Curricula

(courses numbered at the 300-400 level). The 36 or more semester hours earned in applied science or health science at the two-year institution will represent the student's major. By way of example, a student who transfers to Chowan with an Associate Degree in Criminal Justice may earn the Bachelor of Applied Science in Criminal Justice. Note should be taken that Chowan will not normally offer an applied science or health science degree in an area where the college offers the B.A. or B.S. These programs are designed to fill a need for persons who require an earned bachelor's degree for personal or job-related reasons.

BACHELOR OF APPLIED SCIENCE IN EDUCATION

1. Awarded to students who have successfully completed a two year associate in Applied Science or its equivalent in a Teaching Assistant Program at an accredited two-year college or technical institution, and who subsequently complete the general knowledge core program at Chowan.

REQUIREMENTS

- Total semester hours 128
- Earned at Chowan 64
- Includes all Chowan College general education core courses unless completed elsewhere
- Includes at least 27 semester hours of elective credits at 300 or 400 level
- Includes six semester hours credit for a supervised 180 hour internship in an elementary school/day care center
- 2. Also awarded to Chowan students who complete all course requirements for a degree in elementary education other than the formal student teaching programs.

REQUIREMENTS

- Total semester hours 128
- Earned at Chowan 64
- Includes all Chowan College general education core courses
- Includes fifteen semester hours in an academic concentration (in addition to hours included in general education requirements)
- 36 semester hours professional education courses, which includes six hours in psychology
- Six semester hours credit for a supervised 180 hour internship
- Eighteen hours of electives

THE CURRICULA

ASSOCIATE DEGREE PROGRAMS

Chowan College offers the associate degree to students who successfully complete one of the following curricula as outlined in this catalog: Liberal Arts, Music, Music Business, Printing Production and Imaging Technology. Graduates must possess a minimum average of 2.00 on all work attempted, and must complete at least 62 semester hours (60 academic hours plus 2 hours in physical education activity courses), but some programs may require completion of a greater number of hours.

LIBERAL ARTS

- 1. The associate of arts (A.A.) degree is awarded to those students who successfully complete all of the requirements in the Liberal Arts curriculum, as outlined in this section of the catalog.
- 2. The liberal studies and the humanities are areas long associated with philosophical inquiry and critical facility. Students pursuing the A.A. degree are, therefore, expected to develop and deepen their sensitivity to the human condition in its social, cultural, aesthetic, and moral dimensions; they should also develop skills that enable them to interpret and evaluate experience logically and philosophically. These sensibilities cannot be measured objectively, but they are shown, to some degree, in a student's discussion, whether by essay or by self-expression, in and out of the classroom. These qualities are, to some degree, relative and individual. Students will, however, be able to demonstrate in their testing the following basic and minimum competencies: (a) Writing skills necessary to do college-level work as measured by the completion of composition courses; (b) Reading skills necessary to do collegelevel work as measured by standardized testing and the completion of courses in the humanities; (c) Mathematical skills up to and including the level of college algebra, as measured by the successful completion of at least two math courses; (d) Oral communication skills as measured by the successful completion of a course in speech; (e) A basic understanding of the Judeo-Christian heritage as measured by the successful completion of courses in religion; (f) A basic understanding of historical, literary, aesthetic, and cultural heritage as measured by completion of courses in these areas; (g) Basic conversational skills in a foreign language as measured by the completion of a language through the intermediate level; (h) An appreciation of scientific methods used in exploring and solving problems relative to the physical environment, as measured by the successful completion of the laboratory sci-

80—Associate Degree Curricula

ences specified by the student's curriculum; (j) A knowledge of safety and skills in a lifetime leisure sport or physical fitness activity.

3. Following in outline form is a model for degree completion in two years.

First Year, First Semester	English 101 (3) Mathematics 133 (3) Religion 111 (3) Foreign Language 101 (3) History 101 (3) College 101 (2)(optional) Physical Education (1)	(Total 16–18)
Second Semester	English 102 (3) Mathematics 135 or 205 (3) Religion 112 (3) Foreign Language 102 (3) History 102 (3) Computer Awareness 101 (2) Physical Education (1)	?) (Total 18)
Second Year, First Semester	English 201 or 203 (3) Laboratory Science (4) Foreign Language 201 (3) Speech 210 or 211 (3) Elective (3)	(Total 16)
Second Semester	English 202 or 204 (3) Laboratory Science (4) Foreign Language 202 (3) Music, Art, or Drama 161 Elective (3)	(3) (Total 16)

MUSIC

- 1. The Associate in Music (A.M.) degree is awarded to those students who successfully complete all of the requirements in the Music curriculum, as outlined in this section of the catalog.
- 2. In addition to competence in fundamental reading, writing, and mathematical skills and competence in oral communications, students who receive the A. M. degree are expected to possess the following competencies: (a) Literature Possess a basic acquaintance with the standard works of music history and the composers associated with these works, as well as the various style periods of music history to which the major composers belong; (b)

Associate Degree Curricula—81

Theory - Possess basic writing skills structure of 4 part harmony; sufficient skills to analyze and comprehend music compositions; including knowledge of the non-harmonic tones; (c) Theory Competency - Possess a knowledge of the techniques of composers of the 17th to the 20th centuries; have an awareness of the harmonic materials used in these historical periods from the simple triad through seventh chords, altered chords, ninth, eleventh, and thirteenth chords, simple and complex methods of modulation; (d) Ear Training -Development of the ear to the point that students can transcribe a melody as well as simple four part harmony; (e) Sight Singing -Possess sufficient proficiency to sing at sight melodies of a medium degree of difficulty; (f) Keyboard - Possess competence in playing all major and minor scales, hands together, all major and minor, diminished and dominant seventh arpeggios 20ctaves; in playing easy pieces from the various stylistic periods; in playing I IV I V I cadences, in harmonizing simple melodies, and in playing the most simple accompaniments, hymns and songs.

In addition to the foregoing, music majors with a specialization in voice should be able to sing with proper vocal technique, have expanded their repertory of new songs (approximately 4-5 each semester), and be able to sing, with proper pronunciation, in at least one language other than English. Each semester of study should also include at least one aria from an oratorio or opera.

In addition to the foregoing, music majors with a specialization in piano should be competent in playing all major and minor scales 4 octaves, hands together, all major and minor, dominant and diminished, seventh arpeggios 4 octaves, hands together in understanding and playing repertoire from the various stylistic periods; in playing basic chord progressions, in transposing simple songs, in harmonizing simple melodies.

In addition to the foregoing music majors with a specialization in organ should be competent in playing exercises and scales for manuals and pedals in H. Gleason's Method of Organ Playing; in understanding the stops and principles of registration, in playing easier standard repertoire of the various stylistic periods; in playing easier hymns.

In addition to the foregoing, music majors with band instrument specialization should be able to play major and three forms of minor scales; major and minor arpeggios; have a working knowledge of basic chord progression; should be able to play Grade 5 solos from the North Carolina Band Association solo list. 3. COURSE DESCRIPTIONS

Chowan College reserves the right to change its course offerings upon proper notice.

ACCOUNTING

- ACCT 240 Cost and Management Accounting3 cr. hrs An intermediate course in accounting in preparation, analysis, and interpretation of accounting and financial data for product costing and decision making. Prerequisite: ACCT 142. Offered only in the fall semester.
- ACCT 341 Intermediate Accounting I......3 cr. hrs. An overview of accounting and its theoretical foundation. Emphasis is placed on financial statements and various asset accounts. Accounting applications to monetary valuations are studied. Three class hours per week plus additional sessions for tests. Prerequisite: ACCT 142 with a grade of C or better. Offered only in the fall semester.

86—Course Descriptions

ACCT 399-499 Independent Study in Accounting1-2 cr. hrs. An individual problem course designed to give the interested student additional experience in an accounting-related project. Each student will work under the direction of a faculty member on some project of mutual interest. At the end of the semester a report on the project will be submitted to the Department of Business faculty. Prerequisite: ACCT 142 with a grade of C or better.

Art

- ART 101Fundamentals of Drawing3 cr. hrs.Instruction and practice in the basic skills and techniques of drawing
and composition. Media such as pencil, charcoal, and ink are explored.
A terminology unique to art is used in an active dialogue both individ-
ually and as a group activity.
- ART 102 Figure Drawing3 cr. hrs. An introduction to rendering and understanding the human figure with various media.

 ART 161
 Art Appreciation
 3 cr. hrs.

 A selective study of the major periods in the history of art. Emphasis is placed on helping the student to recognize and understand the major objectives and techniques which are characteristic of periods and out

standing artists and their influence on current trends and developments in art. Supplemented by color slides and individual research.

- ART 170Basic Design I3 cr. hrs.A study of the basic principles and elements of black and white 2D and
3D design. This course explores a broad range of mechanical and intel-
lectual problems and introduces design applications utilizing
QuarkXPress and Adobe Photoshop.
- ART 171
 Basic Design II
 3 cr. hrs.

 A study of the principles and elements of color 2D and 3D design. This course explores a broad range of mechanical and intellectual problems, color theory and the application of design using QuarkXPress and Adobe Photoshop.
 Adobe Photoshop.
- ART 201 Advanced Drawing.......3 cr. hrs. Drawing with an emphasis on observation and imaginative compositions, manipulation of mixed medial, working mainly from life. Slide presentation of student work required at end of semester. Prerequisites: Art 101, 102, 171, 172 or permission of instructor.

88-Course Descriptions

ART 291 Printmaking I......3 cr. hrs. This course provides an introduction to woodcutting, intaglio, linoleum cutting, collograph and monotype printmaking techniques. Emphasis is on tools, chemicals, and techniques.

ART 323 Art for the Elementary and Secondary School3 cr. hrs. Methods, materials, and techniques for teaching art education at the elementary, middle school, and high school levels. Emphasis is on teaching and learning process, curriculum development and evaluation procedures. Field work experience is required during this course. Prerequisite: Acceptance to Teacher Education program.

 ART 341
 Painting III
 3 cr. hrs.

 Advanced painting with emphasis on experimentation, creativity, and exploration of the media. Critical awareness continues to be developed through periodic critiques. Slide presentation of student work at end of semester is required. Prerequisites: Art 241 and 242, or permission of instructor.

ART 342 Painting IV......3 cr. hrs. Advanced painting with emphasis on experimentation, creativity, and exploration of the media. Critical awareness continues to be developed through periodic critiques. Media concentration to be determined by conference between student and instructor. Prerequisites: ART 241, 242, and 341, or permission of instructor.

BIOLOGY

- BIOL 101 General Biology I......4 cr. hrs. This course is an introduction to the basic principles of life: Cellular, structure and function, molecular biology, cellular respiration, photosynthesis, reproduction, and Mendelian genetics. Three hours lecture and one three-hour laboratory per week.

- **BIOL 222** Human Physiology......4 cr. hrs. Chemical and physical processes of the human organism are developed at the cellular, systemic, and organismic level with homeostasis as the unifying concept. Cardiovascular, muscular and nervous mechanisms are stressed. Laboratory includes cellular phenomena, tissue and organ mechanisms, and functions of the entire human organism. Data collection and interpretation stressed. Three hours of lecture and one threehour laboratory per week. CHEM 102 recommended. Prerequisite: BIOL 102 or BIOL 221

92—Course Descriptions

Course Descriptions-93

application of these principles to human heredity, plant and animal breeding, evolution, and selected environmental problems may be considered. Offered only in the fall semester of odd numbered years. Three hours of lecture and one three-hour laboratory per week. Prerequisites: BIOL 101, 102. CHEM 275 and 325 recommended.

SCIENCE

SCIENCE 491 Seminar	1 cr. hr.
This is a faculty directed study of a selected topic resulting in oral a	and
written reports. Prerequisites: Approval of Advisor, Departmen	ntal
Chairperson, and Instructor.	

SCIENCE 493 Cooperative Internship1-3 cr. hrs. This is a faculty supervised science related work experience in an offcampus situation. One credit hour will be awarded per 50 work hours. 94—Course Descriptions

The internship requires oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Company. See the Science Departmental Internship Agreement Manual for information and details.

BUSINESS

- BUS 351 Money and Banking......3 cr. hrs. The functions of money and the relation of money and credit to prices, bank deposits, and general economic activity. The operation of the U.S. commercial and central banking systems, including monetary theory and policy. Prerequisites: BUS 251 and BUS 252. Offered only in the fall semester.
- BUS 361 Management3 cr. hrs. An analysis of underlying theory and principles of business organization and management. Administrative functions of planning, organizing, directing, and controlling organizational activity are studied with

96-Course Descriptions

the practical application of theory to actual business situations. Prerequisite: Junior standing or permission of instructor.

CHEMISTRY

CHEM 215 Aquatic Chemistry......4 cr. hrs. This is a study of the applications of chemical concepts and techniques related to aquatic environments. The dynamics of chemical equilibria in natural and polluted waters are included. Three hours of lecture and one three-hour laboratory per week. Prerequisites: CHEM 101, 102.

CHEM 275-276 Organic Chemistry4 cr. hrs. ea. This course includes a systematic study of the various aliphatic and aromatic hydro carbons and their derivatives with emphasis on modern theories of structure and reactivity. The laboratory includes the synthesis, purification, and identification of organic compounds. Students are introduced to the use of polarimetry, gas chromatography, and infrared spectroscopy in the laboratory. Three hours of lecture and one threehour laboratory per week. CHEM 275 is offered only in the fall semester and 276 is offered only the spring semester. Prerequisite: CHEM 101

98-Course Descriptions

Prerequisite: CHEM 102, MATH 133, and PHY 101 or 203

CHEM 460	Chemical Analysis	4 cr. hrs.
This is	a study of analytical methods, using conventional an	d contem-
porary	approaches. Systems studied will often include currer	it environ-
mental	issues. Three hours of lecture and one three-hour labo	ratory per
week. I	Prerequisite: CHEM 102, MATH 133	

- SCIENCE 493 Cooperative Internship1-3 cr. hrs. This is a faculty supervised science related work experience in an offcampus situation. One credit hour will be awarded per 50 work hours. The internship requires oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Company. See the Science Departmental Internship Agreement Manual for information and details.

COMMUNICATIONS

COMM 210 Voice and Diction**3 cr. hrs.** The development of a pleasing and effective voice; improvement of articulation; phonetics. Prerequisite: ENGL 101 and 102.

COMM 211 Public Speaking.....**3** cr. hrs The preparation, organization, and delivery of various types of speeches in a variety of speech situations.

COMM 161 Drama Appreciation.....3 cr. hrs. This course involves a study of the development of drama, play analysis, types of theatrical production, acting theories and exercises, and a comparison of the stage with other forms of dramatic media.

> EARTH SCIENCE (See Physics)

ECONOMICS (See Business)

EDUCATION

- EDUC 307 Teaching Reading in the Elementary School.......3 cr. hrs. A study of the basic processes by which children learn to read. Factors such as readiness, vocabulary development, word attack and other initial skills will be emphasized. Students will examine various research studies on a variety of approaches to teaching reading, including phonics and whole language. Field-based observations and practice will be included in this course. Prerequisite: EDUC201; Admission to Teacher Education

100—Course Descriptions

will begin to develop their own vision for educational practices based upon their study of the historical and philosophical foundations of American education. Students must also serve as a tutor/mentor for one student in the public schools. Prerequisite: EDUC 201; Admission to Teacher Education (Spring semester).

An integrated course designed to meet the competencies for elementary classroom teachers in visual art, music and drama. Methods for teaching these skills to elementary students will be emphasized in this course. *Includes field-based observations*. Prerequisite: EDUC 201; Admission to Teacher Education (Spring semester)

EDUC 421 Seminar in Student Teaching......1 cr. hrs. Scheduled seminars during the period of student teaching conducted by college supervisors. Emphasis is placed on current developments in school law, student management, decision-making skills, teacher certification, and lesson plans. Prerequisite: Admission to Student Teaching

EDUC 441	Methods and Materials for Teaching	
	High School Science	3 cr. hrs.
A study o	f teaching techniques and resource materials for teachin	g sci-

ence in the secondary schools. Emphasis will be placed on ensuring that

102-Course Descriptions

students understand the competencies high school students are expected to acquire in their science courses. *Iucludes extensive field-based work*. Prerequisite: Admission to Teacher Education Department (Fall semester)

EDUC 451 Methods and Materials for Teaching

EDUC 471 Methods and Materials for

Teaching High School Social Studies**3 cr. hrs.** A study of teaching techniques and resource materials for teaching social studies in secondary schools. Emphasis will be placed on ensuring that students understand the competencies high school students are expected to acquire in their social studies courses. Teaching strategies unique to the field of social studies will be emphasized. *Iucludes exteusive field-based work.* Prerequisite: Admission to Teacher Education Program.

English

ENGL 102 Composition and Introduction to Literature.......3 cr. hrs. A writing course focusing on the literary genres, poetry, drama, and fiction, and introducing research skills. This course is required of all students, and is a prerequisite to all higher English courses. Prerequisite: English 101.

- ENGL 201 Survey of British Literature to 18003 cr. hrs. A study of the major writers in England from the Anglo-Saxon period through the 18th century. Prerequisite: English 101 and 102.
- ENGL 202 Survey of British Literature Since 1800......3 cr. hrs. A study of the major writers in England from 1800 to the present. Prerequisite: English 101 and 102.
- ENGL 203 Survey of American Literature to 1865......3 cr. hrs. A study of the major American writers from the Colonial period to the Civil War. Prerequisite: English 101 and 102.
- ENGL 204 Survey of American Literature Since 18653 cr. hrs. A study of the major American writers from the Civil War to the present. Prerequisite: English 101 and 102.
- ENGL 205Survey of Ancient World Literature3 cr. hrs.A study of selected classical writers. Prerequisite: English 101 and 102.
- ENGL 206 Survey of Modern World Literature3 cr. hrs. A study of selected non-English or American writers from modern times. Prerequisite: English 101 and 102.
- NOTE: A student must complete the 9 hours of the core English requirements or get the approval of the division head before taking upper-level courses in English.

- ENGL 330Renaissance Literature3 cr. hrs.A study of British poetry, prose, and non-Shakespearean drama from
1500 to 1660. Prerequisites: English 101, 102, and one 200-level literary
course.

- ENGL 360Victorian Literature3 cr. hrs.A study of British poetry and prose from 1832 to 1900. Prerequisites:
English 101, 102, and one 200-level literary survey course.
- ENGL 37020th Century British Literature3 cr. hrs.A study of modern British poetry, fiction, and drama. Prerequisites:
English 101, 102, and one 200-level literary survey course.

- ENGL 410Shakespeare3 cr. hrs.A study of selected poems and plays. Prerequisites:English 101, 102,and one 200-level literary survey course.

ENGL 420 Short Fiction......3 cr. hrs. A study of the development of the short story. Prerequisites: English 101, 102, and one 200-level literary survey course.

ENGL 490 English Internship1–3 cr. hrs. Professional work experience related to the field of English, approved by the members of the English Division and supervised by a member of the English faculty. Internships may involve work for either local business and industry, as with a newspaper or public relations office, or for the English Division, assisting with departmental matters—research, book orders for the library, press releases, etc.

French

- **FREN 101-102 Elementary French......3 hrs. ea.** For those with no previous study of the language. Fundamentals of grammar. Training in pronunciation. Essential vocabulary. Short compositions. Elementary readings during the second semester. One lab period per week. Co-requisite: ENGL 101
- FREN 203-204 Intermediate Composition and Conversation...........3 cr. hrs. ea. Practice in a variety of areas as business and social correspondence based upon literature. Emphasis on practical, everyday use of spoken French. Prerequisite: French 202 or placement score.

Geography

GOVERNMENT

HISTORY

BASIC COURSES

- HIST 201United State History to 1865......3 cr. hrs.This is a survey of American history from the period of exploration and
colonization through the Civil War. Emphasis is placed on the political,
economic, social, and cultural developments.
- HIST 202United States History since 1865This is a survey of American history from the Civil War to the present.Emphasis is placed on the political, economic, social, and cultural developments.

ADVANCED AMERICAN COURSES

rights of a neutral nation in a world at war. Prerequisite: HIST 201 or approval of the professor.

HIST 315The Civil War and Reconstruction3 cr. hrs.A detailed study of the rise of sectionalism and events of the AmericanCivil War and Reconstruction. Prerequisite:HIST 201 and 202 orapproval of the professor.

HIST 325The Age of Franklin Roosevelt3 cr. hrs.The study of the United States during and between the World Wars.Emphasis is given to the First World War, the politics and society of the1920s, the Great Depression, the New Deal, and the impact of the SecondWorld War. Prerequisite: HIST 202 or approval of the professor.

gies, but the contributions of women and African-Americans in war and how each conflict affected the culture of domestic American society. Prerequisite: HIST 201 and 202 or approval of the professor.

- HIST 410History of the South3 cr. hrs.A study of those aspects of the southern experience which have made
the South a unique region from its early settlement to the present.
Emphasis is given to race relations, industrial growth of the region, and
the roots of the contemporary South. Prerequisite: HIST 201 and 202 or
approval of the professor.

Advanced European Courses

- HIST 360 French Revolution and the Napoleonic Era3 cr. hrs. Spanning from 1750 through 1815, this course will discuss the impact of the French Revolution and the rise of Napoleon on the idea of monarchy, modern science and culture, the military, and international relations. Prerequisite: HIST 102 or approval of the professor.
- HIST 370Europe and the World Wars3 cr. hrs.This course will look at the cause and effect of the First and Second WorldWars on Europe, as well as the interwar years. European alliances, diplomacy, and military strategies will be the main emphasis of this course,

along with fascism, the Holocaust, and the cultural revolutions of the period. Prerequisite: HIST 102 or approval of the professor.

SPECIAL COURSES

HIST 470 History of Non-Western Civilizations.......3 cr. hrs. A study of the traditions, attempts at modernization in the nineteenth century, and the contemporary scene in Asia and Africa. Prerequisite: HIST 101 and 102 or approval of the professor.

INFORMATION SYSTEMS

- IS 262 Personal Productivity with IS Technology4 cr. hrs. A course which enables students to extend their knowledge work and improve skill in use of packaged software in order to improve their personal productivity. Three hours lecture; three hours laboratory. Prerequisite: IS 171.
- IS 264 Information Technology Hardware and Software......3 sem. hrs. A course to provide the hardware and software technology background to enable systems development personnel to understand trade offs in computer architecture for effective use in the business environment. Prerequisite: IS 262. Offered only in the spring semester.
- **IS 272 Programming, Data, File, and Object Structures4 cr. hrs.** A course to provide an understanding of algorithm development, programming, computer concepts, and the design and application of data and file structures. The increasing complexity of applications requires an understanding of the logical and physical structures of both programs and data. Three hours lecture; three hours laboratory. Prerequisites: IS 171. Offered only in the fall semester.

IS 381 Fundamentals and Design with DBMS**3 cr. hrs.** A course focusing on information systems design within a database management system environment. Students demonstrate their mastery of the design process acquired in earlier courses by designing a physical system to implement the logical design. Students master data modeling techniques using the entity relationship and semantic object models. Database designs are developed and evaluated according to Fagin's domain/key normal form. Prerequisite: IS 376. Offered only in the spring semester.

IS 482 Design and Implementation with DBMS Programming

A course addressing the latter part of the life cycle of analysis and logical design. It is concerning with physical design, programming, testing, and implementation of the system. Three hours lecture; three hours laboratory. Prerequisite: IS 381. Offered only in the fall semester.

IS 389-489 Independent Study in Computer Information Systems

.....1-2 cr. hrs.

An individual problem course designed to give the advanced student additional experience in the design and development of a computerrelated project. The student works under the direction of an IS faculty member in designing and completing the project. Regular conferences with the supervising faculty member are required. At the conclusion of the project, a written report is presented to the supervisor, and an oral report is made to the Department of Business faculty.

MANAGEMENT (See Business)

MARKETING (See Business)

MATHEMATICS

MATH 130 Introduction to Algebra for College Students.......2 cr. hrs. This is the first course in a two course sequence covering the topics usually covered in the standard college algebra course. Topics include: the real and complex number systems, polynomials, rational expressions, radicals, linear and quadratic functions and their graphs, linear and quadratic inequalities, and rational functions. Three hours per week. Prerequisite: High school algebra or MATH 095 or satisfactory score on the mathematics placement test.

tions and inequalities, elementary matrices and determinants, the remainder and factor theorems, the rational root theorem, the binomial theorem and mathematical induction. Three hours per week. MATH 130 and 131 meet the requirements for MATH 133 College Algebra. Prerequisite: MATH 130

Prerequisite: at least one course in high school algebra; two years recommended, or Math 133.

MATH 210 Calculus I......4 cr. hrs. The first of three semesters of unified course in analytic geometry and calculus. The topics studied are: real number system; functions; limits and continuity; the derivative; differentiation of algebraic and trigonometric functions; applications of differentiation; antiderivatives and the Fundamental Theorem of Calculus; numerical solutions of equations and numerical integration. Prerequisites: four years of college prep mathematics in high school or equivalent as determined by Placement Test.

MATH 310 Calculus III......4 cr. hrs. The third of three semesters of unified course in analytic geometry and calculus. The topics studied are: vectors and three-dimensional space; vector valued functions; functions of several variables; partial differentiation; multiple integration; topics from vector analysis. Prerequisite: MATH 211

MATH 315 Elementary Differential Equations3 cr. hrs. A first course in ordinary differential equations covering topics such as: first order and simple higher order differential equations and their application; linear differential equations and their application, solution

by series, solution by Laplace transformation and other topics. Co-requisite: MATH 310

- MATH 460History of Mathematics3 cr. hrs.A general survey of the historical development of mathematics up to the
20th century. Three hours per week. Prerequisite: MATH 211
- MATH 490 Independent Study.....1-3 cr. hrs. Designed to provide students an opportunity to study topics supplementing the regular curriculum. The student's course of study is

designed jointly by the student and the professor guiding the investigation and must be approved by the department chair. Prerequisite: Consent of department chair.

Music

MUSIC LABORATORIES

- MUSI 100 A/B; 200 A/B; 300 A/B; 400 A/B Applied Music Lab0 cr. hrs. A weekly performance workshop or recital. Required of all students taking applied music. One laboratory hour per week.
- MUSI 101–102 Beginning Music Theory I and II Labs......1 cr. hr. Introductory courses in the terminology of music, music notation, rhythm, intervals and scales. Includes practice in ear training, sightsinging and music dictation. Required of all music majors. Two laboratory hours per week. Co-requisites: MUSI 151-152
- MUSI 201-202 Advanced Music Theory III and IV Labs......1 cr. hr. Continuation of Music 101-102, with work in clef-reading, rhythms, intervals, chords and melodies utilizing exercises from musical literature. Required of all music majors. Two laboratory hours per week. Prerequisite: MUSI 101-102; Co-requisites: MUSI 251-252

MUSIC THEORY

- MUSI 151-152 Beginning Harmony I and II......3 cr. hrs. A beginning course in the elements of musical composition, including triads, inversions, seventh chords, non-harmonic tones, elementary modulation, keyboard harmony and short composition. Required of all music majors. Co-requisites: MUSI 101-102

MUSIC LITERATURE

Lectures, listening and concerts. Required of all music majors. Nonmusic majors may elect the course with the permission of the instructor, however, this course will not satisfy the Core Curriculum fine arts requirement.

MUSIC EDUCATION

- MUSI 141 Introduction to Conducting and Arranging......2 cr. hrs. An introduction to the techniques and gestures used in conducting instrumental and choral ensembles as well as the basic techniques of arranging music for various instrumental and vocal ensembles.
- MUSI 231 Woodwind Methods (single reeds).....1 cr. hr. A study of woodwind instruments to acquaint students with basic techniques and pedagogical principles.
- MUSI 232 Woodwind Methods (double reeds).....1 cr. hr. A study of woodwind instruments to acquaint students with basic techniques and pedagogical principles.
- MUSI 331 String Methods.....1 cr. hr. A study of orchestral non fretted stringed instruments to acquaint students with basic techniques and pedagogical principles.
- MUSI 332 Brass Methods1 cr. hr. A study of brass instruments to acquaint students with basic techniques and pedagogical principles.

MUSI 341 Music Materials and Methods for the Elementary Grades

.....3 cr. hrs.

A study of techniques and materials which would be incorporated in classroom music teaching in the elementary grades. Classroom techniques for general music in the middle grades will also be covered in this course. Students will study the historical perspective of music in the schools and explore philosophies and innovations which have changed the practice of music teaching. Field-based work is included.

MUSI 342 Music Materials and Methods for the Secondary Grades

......3 cr. hrs.

A study of techniques and materials which would be incorporated in instrumental, vocal, and general music classes at the secondary level. Students will study the psychological and philosophical trends which have affected the practice of Music Education in secondary schools. Field-based work is included.

- MUSI 431 Percussion Methods1 cr. hr. A study of tonal and untuned percussion instruments to acquaint students with basic techniques and pedagogical principles.
- MUSI 441 Advanced Instrumental Conducting and Arranging2 cr. hrs. Continuation of Music 141 with emphasis on instrumental music for concert band, marching band, stage band and other instrumental ensembles.
- MUSI 442 Advanced Choral Conducting and Arranging......2 cr. hrs. Continuation of Music 141 with emphasis on choral music including music for mixed chorus, women's chorus, men's chorus, show choir, madrigal groups and other vocal ensembles.

PERFORMING ENSEMBLES

- MUSI 181-182; 281-282; 381-382; 481-482 College Band......1 cr. hr. Membership is open to all qualified instrumentalists on the campus. The group meets 3 hours per weeks. The level for which one will register will be sequential; i. e., the first semester a student participates for credit regardless of college enrollment status will be 181 and the second will be 182. The group will perform a variety of musical styles including Jazz, Concert literature, Church literature, and popular tunes.
- MUSI 191-192; 291-292; 391-392; 491-492 College Chorus1 cr. hr. Membership is open to any college student. Performances include fall, Christmas and spring concerts as well as other engagements on campus throughout the school year. Three rehearsal hours per week. The level at which a student registers for this course will be sequential; i. e., the first

semester a student registers, no matter what the classification of the student, the course number will be 191. The Chorus will perform a variety of music ranging from works of the great masters of the past to contemporary pop, from sacred to secular, from serious to light hearted.

MUSI 193-194; 293-294; 393-394; 493-494 Chowan Singers1 cr. hr. Membership selected by audition from the college Chorus. The Chowan Singers perform various off-campus engagements and take an extended tour in the spring. One extra rehearsal per week in addition to the regular College Chorus rehearsals. Membership is limited to 16 to 20 singers.

NOTE: Other performing ensembles (no credit) may be organized, from time to time, for student participation.

APPLIED MUSIC

The following courses in applied music are open to any student in the college. Work in applied music is regarded not merely as technical training in performance, but also as a study of the standard literature. Credit in applied music is given on the basis of (1) the stage of development and (2) the number of lessons per week.

All students taking applied music for credit are required to attend weekly student workshop-recitals and college sponsored concerts. A minor in piano is required of all music majors who do not elect piano as the major applied area of study or who do not possess a basic skill at the keyboard.

Applied Music for the Music Major (applied Minor area) or the Non-music major.

MUSI 111-112	First Year	1 cr. hr. ea.
MUSI 211-212	Second Year	1 cr. hr. ea.
MUSI 311-312	Third Year	1 cr. hr. ea.
MUSI 411-412	Fourth Year	1 cr. hr. ea.

For each of the above, one half-hour lesson per week and five practice hours per week.

Applied Music for the Music Major (applied Major area) or the Non-music major with permission of the instructor.

MUSI 121-122	First Year	1 or 2 cr. hrs. ea.
MUSI 221-222	Second Year	1 or 2 cr. hrs. ea.
MUSI 321-322	Third Year	1 or 2 cr. hrs. ea.
MUSI 421-422	Fourth Year	1 or 2 cr. hrs. ea.

For each of the above, one or two half-hour lessons and five or ten practice hours per week, respectively.

NOTE: The same course numbers are used for all instruments studied. The specific instrument is indicated by the following abbreviations placed after the course number: A - Voice
B - Piano
C - Organ
D - Woodwind
E - Brass
F - Percussion
G - Strings
(Example—111A is First Year instruction in voice; 111B is First Year instruction in piano.)

Philosophy

 PHIL 221
 Introduction to Ethics
 3 cr. hrs.

 This course is designed to be a practical,introductory study of Christian values and their relationship to the decision-making process, the principles of biblical ethics, and specific issues in contemporary society.

PHIL 231 Introduction to Philosophy......3 cr. hrs. An attempt is made to acquaint students with basic philosophical concepts and problems through a consideration of representative philosophers and their approaches to the basic questions which are generally explored through philosophical inquiry.

PHYSICAL EDUCATION

MAJOR COURSES FOR PHYSICAL EDUCATION

 PHED 100
 Aquatics
 1 cr. hr.

 This course is a requirement for physical education Majors only. They must take the appropriate course from: PHED 121, PHED 122, or PHED 123.

PHED 102 Tumbling/Dance.....1 cr. hr. This course is an introduction to basic stunts and tumbling, locomotor and axial movements in dance, and social dances. The historical, social, and cultural aspects will be included.

PHED 103 Motor Skills/Behavior1 cr. hr. This course is an application of learning principles and laws of motion to specific motor skills. The basic locomotor, non-locomotor and manipulative movement skills will be included. Field experiences are required.

- PHED 104 Outdoor Leisure/Recreation1 cr. hr. This course is an introduction to the knowledge and skills in a variety of outdoor leisure and recreation activities. It includes walking, frisbee, hiking, canoeing, backpacking, camping, and field trips. Prerequisite: PHED 100 or approval of instructor.
- PHED 201
 Health
 3 cr. hrs.

 This course is designed to study personal health needs and problems.
 Mental, physical, social, and spiritual factors and their impact on one's quality of life are included.
- PHED 210
 First Aid & Safety
 2 cr. hrs.

 This course is designed to study emergency first aid care for injury or illness. Red Cross certification in Standard First Aid and Cardiopulmonary Resuscitation are included.
- PHED 220
 Community Health
 3 cr. hrs.

 This course is designed to study community health resources, governing policies, and services in relationship to the school health program. Communicable diseases, organizations, consumer health, environmental health, and the health-care system are included. Prerequisite: PHED 201
- PHED 235 Individual & Dual Sports II2 cr. hrs. This course is a study of the fundamental skills and knowledge of archery, bowling, croquet, golf and table tennis. The history, equipment, rules, terminology, strategies, skill techniques and officiating are included. Prerequisite: PHED 103
- PHED 245
 Team Sports II
 2 cr. hrs.

 This course is a study of the fundamental skills and knowledge of baseball, softball, wrestling, track and field. The history, equipment, rules, terminology, strategies, skill techniques and officiating are included. Prerequisite: PHED 103
- PHED 301Foundations of Physical Education & Sport3 cr. hrs.This course is designed to study the philosophical, historical, sociological, psychological and scientific foundations of physical education and

sport. Professional organizations, curriculum concepts, teaching methods, and evaluation are included.

PHED 310 Health & Physical Education in the

Elementary School3 cr. hrs. This course is a study of health and physical education materials, methods, and activities for children in grades K-6. It includes planning, teaching, and evaluating a program of developmental and movement activities appropriate for the characteristics and needs of the learner. Clinical and field experiences are required in addition to regular class meetings. Prerequisite: Junior Standing

PHED 335Exercise Physiology4 cr. hrs.This course is a study of the scientific basis of physical exercise and its
effects on the muscular, cardiovascular, respiratory, and nervous sys-
tems. Various exercise programs will be included with a lab.
Prerequisite: BIO 222

PHED 401 Administration in Physical Education and Sport3 cr. hrs. This course is a study of management theories and administrative policies for health, physical education and sport programs. It includes curriculum planning, personnel, facilities, equipment, budgeting, public relations, legal liability, and intramurals. Prerequisite: PHED 301

This course is a study of the teaching-learning process in health and physical education within the middle and secondary school. It emphasizes the planning, implementing, and evaluating of health and physical education activities. Clinical and field experiences are required in addition to regular class meetings. Prerequisite: PHED301 and 310

health, physical education and sport. It includes measurement and assessment techniques, evaluation instruments, and interpretation of results. Prerequisite: PHED 301

PHED 455 Technology in Physical Education and Sport......1 cr. hr. This course involves the study of a variety of computer skills, computer software, videos, internet, and other technological advances within the areas of physical education and sport. The emphasis will be on the application of teaching and remediation, evaluation, record keeping, class management, individual student analysis in fitness and nutrition, video enhancement to study human motion, specific sport analysis, and statistical analysis of data. Prerequisite: IS 101 and EDUC 371.

PHED 460 Independent Study in Physical Education

and Sport1–3 cr. hrs. This course is designed to meet special needs or deficiencies a student has in health, physical education or sport. Topics will be selected by the chairperson and the student. The design, direction, and evaluation of course will be closely monitored by the chair or appropriate faculty member. Prerequisite: Approval of Advisor and Chairperson.

MAJOR COURSES FOR SPORT MANAGEMENT

PHED 300 Sport Management Practicum II......1 cr. hrs. This course is designed to provide majors with hands on experience in an area of sports management. The student will work a minimum of 60 hours in an area approved by the advisor and the chairperson. The field work will be scheduled, supervised, and evaluated by the student, field supervisor, and chairperson or faculty designee. Prerequisite: PHED 200

- PHED 430 Principles of Sport Management II.......3 cr.. hrs. This course is a study of the practical applications and theory in sport management. It emphasizes strategic approaches to sport marketing, management of facilities and personnel, philosophical basis for sponsorship and sport licensing, accounting and budgeting, and financing options and opportunities to compete in the business of sport. Prerequisite: PHED 340 or permission of instructor.
- NOTE: The practicals are designed to provide management experiences in a variety of sports settings. Field work begins no later than the sophomore year with PHED 200. PHED 300 and 400 are taken during the remaining semesters, leading up to the final placement (PHED 440) during the student's final semester. These must be varied in their job description and responsibility.

MAJOR COURSES IN SPORT SCIENCE

MAJOR COURSES IN ATHLETIC TRAINING

- PHED 105
 Fundamentals of Athletic Training.......3 cr. hrs.

 This course is designed to introduce the student to the roles and responsibilities of the athletic trainer in sports. The course emphasizes prevention, recognition, and management of sports injuries.
- PHED 111
 Athletic Training Practicum I1 cr. hr.

 This course involves the practice of injury taping and wrapping skills.

 The student will complete a minimum 100 hours with supervision in the athletic program.
- PHED 211Athletic Training Practicum II......1 cr. hr.This course involves the practical application of athletic injury assessment. The focus will be on the various techniques of injury recognition and evaluation. The student will complete a minimum of 150 hours with supervision in the training room. Prerequisite or co-requisite: PHED 250.

- PHED 311
 Athletic Training Practicum IV......2 cr.. hrs.

 This course introduces the different modalities for treating athletic injuries. The focus will be the determination of modality, proper set-up,

and application for injury rehabilitation. A minimum of 200 hours with supervision in the training room is required. Prerequisite or co-requisite: PHED 350.

PHED 435 Advanced Athletic Training.......3 cr. hrs. This course is the study of advanced recognition, assessment, management, and reconditioning of athletic injuries. The student will be responsible for a varsity or junior varsity sport team. There will be clinical and field work included in the course. Prerequisite: PHED 350 or permission of the instructor.

ACTIVITY COURSES

 PHED 121
 Beginning Swimming.....1 cr. hr.

 This course is an introduction to elementary aquatics. The basic swimming strokes are taught with the (American) front crawl emphasized.

PHED 122	Intermediate Swimming	1 cr. hr.
This cou	rse is designed to refine the mechanics and imp	rove strength in
the four	basic strokes: crawl, elementary backstroke, l	backstroke, and
side stro	ke. Advanced aquatics skills such as treading wa	ater and drown-
proofing	are also taught. Prerequisite: PHED 121 or appro	oval of instructor

PHED 123Lifeguard Training......1 cr. hr.This course is designed for skilled swimmers who desire lifeguard training.ing. Students can earn certification for lifeguard training from the
American Red Cross by completing all course requirements.
Prerequisite: PHED 122 or approval of the instructor.

 PHED 125
 Volleyball
 1 cr. hr.

 This course is an introduction to the fundamental skills in volleyball so that students can enjoy and appreciate the sport. The history, rules, terminology, and strategies of volleyball are included in the class.

PHED 126 Weight Training......1 cr. hr. This course is an introduction of the safety, proper techniques, and benefits of weight training. Multiple lifts for circuit training and station workouts will be emphasized.

PHED 129 Baitcasting......1 cr. hr. This course is an introduction to the sport of fishing. An emphasis will be on safety, proper techniques, and a variety of equipment. Students provide their equipment.

 PHED 130
 Racquetball
 1 cr. hr.

 This course is an introduction to the fundamental skills in racquetball so that students can enjoy and appreciate the sport. The history, equipment, rules, terminology, and strategies will be included. Students provide their eyewear, protective glasses.

 PHED 131
 Badminton
 1 cr. hr.

 This course is an introduction to the fundamental skills in badminton so that students can enjoy and appreciate the sport. The history, equipment, rules, terminology, strategies, and skill techniques are included.

PHED 132 Aerobic Fitness......1 cr. hr. This course is an introduction to aerobic activities to gain knowledge and skills to develop total fitness. It includes the health and skill-related components of fitness. PHED 134 Golf......1 cr. hr. This course is an introduction to the fundamental skills of golf so that students can enjoy and appreciate the sport. The history, equipment, etiquette, rules, terminology, strategies, and skill techniques are included.

PHYSICS

PHYS 203-204 Advanced General Physics4 cr. hrs. ea. This is a first course in college physics for students needing a calculus based course. The basic principles of mechanics, electricity, magnetism, and modern physics are presented. The first course includes kinematics, dynamics, energy, oscillatory system, and waves. The second course includes electrostatics, magnitostatics, DC and AC circuits, and modern

physics. Three hours of lecture and one three-hour laboratory per week. Physics 203 is offered only in the fall semester and 204 is offered only in the spring semester. Co-requisite: MATH 210

SCIENCE

- SCIENCE 493 Cooperative Internship1-3 cr. hrs. This is a faculty supervised science related work experience in an offcampus situation. One credit hour will be awarded per 50 work hours. The internship requires oral and written reports. Prerequisites: Approval of Advisor, Departmental Chairperson, and Company. See the Science Departmental Internship Agreement Manual for information and details.

PRINTING PRODUCTION AND IMAGING TECHNOLOGY

PPIT 101 Graphic Arts I......4 cr. hrs. Exploration of the basic four printing processes, and the printing industry in general. Areas of study will include process differences, black & white photography, layout, desktop publishing, reproduction photography, image assembly, platemaking, presswork, and bindery. Also, an overview of career opportunities, field trips and problem solving skills. Offered only in the fall semester.

PPIT 111 Digital Imaging Technology I......4 cr. hrs. Basic orientation to the Macintosh computer. Areas of study will include how to operate the desktop, open applications, generate files and folders, file organization and management, and understand the operating system. Students will complete a series of projects primarily utilizing Adobe Prepress software and QuarkXPress, word processing and database management. Prerequisite: PPIT 101 or consent of instructor. Offered only in the fall semester.

PPIT 121 Graphic Arts II4 cr. hrs. Areas of study will build upon Graphics Arts I and include halftones, duotones, special effects, page layout, color reproduction, electronic publishing, presswork and bindery. Prerequisite: PPIT 101 or consent of instructor. Offered only in the spring semester.

PPIT 213 Digital Imaging Technology II4 cr. hrs. Advanced instruction in desktop applications primarily using QuarkXPress, FreeHand and Photoshop. Fundamentals of flatbed scanner operation producing line and gray scale copy. Prerequisite: PPIT 101, 111, 121, or consent of instructor. Offered only in the spring semester.

PPIT 223 Technical/Digital Photography......3 cr. hrs. An introductory course in black and white, and digital photography which will cover technical information about cameras, films, printing, processes, and digital systems. Offered only in the spring semester.

PPIT 233 Offset Printing Applications I4 cr. hrs. A class designed to give students hands-on experience in the production of complicated four-color process printing. Projects will include conventional and digital prepress processes. Process color press operation will be stressed. Prerequisite: PPIT 121, PPIT 111 or consent of instructor. Offered only in the fall semester.

PPIT 300 Special Topics in Printing Production and

 PPIT 351
 Multimedia Development......3 cr. hrs.

 An introduction course designed to give a basic understanding of the concepts of multimedia, interactive communication, the tools and procedures for developing a multimedia presentation, and basic multimedia concerns. Prerequisite: PPIT 311 or consent of instructor.

 PPIT 443
 Printing Estimating & Production Planning......4 cr. hrs.

 A course providing a systematic and analytical approach to achieving an efficient production system in all areas of printing. Instruction includes

organizational procedures, cost estimates, identification of necessary materials and quality controls. Problems related to operation, maintenance, folding, binding, finishing and supervisory techniques are also included in this course. Prerequisite: PPIT 341 or consent of instructor. Offered only in the fall semester.

PPIT 451 Internship10 cr. hrs. A 15-week industry job experience which is developed by the instructor and coordinated with the hiring industry. The internship is designed to enhance and reinforce the technical skills acquired by the student. The instructor must submit the internship plan to the Chairperson of Printing Production and Imaging Technology for approval prior to the student entering in an internship agreement. The student should plan for the internship during his junior year or the first term of his senior year. Co-requisite: PPIT 331 or consent of instructor.

PSYCHOLOGY

PSYCH 310 Educational Psychology.......3 cr. hrs. This course deals with the psychological principles involved in the teaching-learning process, the nature of intelligence, motivation, learn-

ing styles, thinking skills, individual differences, and the evaluation of learning. Offered only in the spring semester. Prerequisite: PSYCH 210 and 260 or the approval of the instructor

- **PSYCH 410** Research Methods in Behavioral and Social Sciences...3 cr. hrs. An introduction to the basic methods of experimental psychology. Special emphasis will be placed upon increasing the student's ability to understand and evaluate scientific articles as well as to conduct and report research. Exposure to historically significant problem areas will be provided. Prerequisites: Nine (9) hours of Psychology including PSYCH 210.

RELIGION

BIBLICAL STUDIES

- **REL 111 Introduction to the Old Testament**.....**3 cr. hrs.** The student is introduced to the Story of Ancient Israel, as recorded in the Hebrew Bible, through an approach which combines elements of historical and archaeological research, literary criticism, and biblical theology.
- REL 112 Introduction to the New Testament.......3 cr. hrs. The story of Christian origins, as recorded in the distinctively Christian scriptures, is set forth against the background of that religious, political, social, and cultural milieu out of which the Christian movement emerged.

The second half of the sequence will place particular emphasis upon the translation and exegesis of selected passages from the Greek New Testament. Successful completion of the sequence may be used to satisfy 6 hours of the language requirement of candidates for the B.A. in Religion and Philosophy. Offered in alternate years, or upon sufficient demand

REL 301-302 Elementary Hebrew, I and II.......3 cr. hrs. each This is a two-part sequence which introduces the student to Biblical Hebrew. Emphasis will be placed upon grammar, syntax, and vocabulary throughout the first half of the sequence, with particular attention to the development of reading skills.

The second half of the sequence will place particular emphasis upon the translation and exegesis of selected texts from the Hebrew Bible. Successful completion of this sequence may be used to satisfy 6 hours of the language requirement of candidates for the B. A. in Religion and Philosophy. Offered in alternate years, or upon sufficient demand.

- REL 315 Prophecy and Prophets in Ancient Israel3 cr. hrs. This course encompasses a study of the context for and the development of prophecy and the prophetic tradition in the Hebrew Bible. The nature, scope, and function of various prophetic oracles are examined, with a particular focus upon one of the "classical" or "canonical" prophets.
- REL 316 Paul: The Man and His Writings.......3 cr. hrs. An intensive consideration of the life and teachings of Paul as presented in his letters and in Acts. Emphasis will be placed upon the historical and cultural environment, issues in current Pauline scholarship, and exegesis of selected passages in Paul's letters. Prerequisite: REL 112
- REL 418
 The Judaistic & Hellenistic Backgrounds of the New

 Testament
 3 cr hrs.

 The historical social worlds extant in the first century and their influences upon the New Testament. An evaluation is made of historical events, Palestinian Judaism,Hellenistic Judaism, and Roman Hellenism.

 Prerequisite: REL 112

independent and creative research into selected problems, concerns, or interests in religious studies. Periodic meetings between student and instructor will be scheduled for critical discussion and assessment of progress being made. Prerequisite: Senior status, with at least 30 hours completed towards a major in Religion; permission of instructor and departmental chairperson.

HISTORICAL/THEOLOGICAL STUDIES

- **REL 341** Christian History to the Age of Reformation3 cr. hrs. A survey of the history of Christianity from the Apostolic Age through the Renaissance. While following an integrative approach to the subject, particular attention will be given to the geographical expansion of Christianity,development of Christian institutions,theological crises leading to a definition of Christian Orthodoxy, and the shape and influence of medieval Christendom. Prerequisite: HIST 101 and 102 or permission of instructor

- **REL 444 Baptist History and Heritage**.....**3 cr. hrs.** Traces the growth and development of Baptists from their origins in the radical wing of the Protestant Reformation. Major emphasis will be placed upon Baptists in the United States, and upon the distinctive features of Baptist heritage within the broader context of Protestant Christianity.

SOCIOLOGY

SOCIO 205 Introductory Sociology3 cr. hrs. This is an introduction to the concepts of sociology. Consideration is given to culture, socialization, the human community, population, social

class, the institutions of the family, economics, politics, religion, education, social change, dissent and post-industrial society. Prerequisite: Sophomore status or approval of instructor.

Spanish

- SPAN 203-204 Intermediate Composition and Conversation3 cr. hrs. ea. Practice in conversational skills in a variety of subjects and situations. Designed to provide the fundamentals of composition in Spanish. Prerequisite: SPAN 202 or placement score.

ACADEMIC SUPPORT COURSES

- College 101 Orientation to College Life......2 cr. hrs. The study of the purposes of higher education and the roles of an individual student within the college and other learning environments. Open to freshmen only.
- AS 001 Reading for College Success0 cr. hrs. Reading for College Success on helping the student improve skills essential to effective reading. Special emphasis is placed on vocabulary, comprehension, reading rate, and critical reading. Placement into and exit from this course are determined by performance on reading placement tests administered by Academic Support faculty. Students placed in this course must attempt it during the first semester of enrollment at Chowan and repeat it each semester until satisfactory proficien-

cy is achieved. For students required to take this course, it is co-requisite to all other courses. It meets three hours per week.

- AS 003 Composition in English as a Second Language0 cr. hrs. This course is required for students whose first language is not English and whose facility with the English language is not sufficient for a purely rhetorical course. It deals with the vocabulary and mechanics of written English (grammar, diction, logic) and with composition. Placement into the course and exit from the course are determined by English faculty evaluation of writing proficiency. Students placed in this course must attempt the course during the first semester of enrollment at Chowan and repeat it each semester until satisfactory writing proficiency is achieved. For students required to take this course, it is prerequisite to English 101. It meets three hours per week.
- AS 005 Student Success Seminars......0 cr. hrs. Student Success Seminars is a course designed to help students apply appropriate study habits to problem areas. It is intended to provide support for students with special needs such as learning disabilities, nontraditional students, students on academic probation, and any others who feel they would benefit from a structured approach to using available resources. This class meets eight times per semester and it may not be taken concurrently with FYE 101 or AS 001.
 - *For purposes of meeting continued enrollment requirements only, successful performance in AS 001-AS004 will be considered the equivalent of earning a grade of C in a three-hour course, and a grade of U will be considered equivalent to an F in a three-hour course. AS 005 will be considered equivalent to a one-hour course, with an S or U counting as a C or an F, respectively.
